Item 1.01. Entry into a Material Definitive Agreement.

On September 5, 2017, Cummins Inc. (the “Company”) entered into a 364-day credit agreement (the “New Credit Agreement”) by and among the Company, certain of its subsidiaries (together with the Company, the “Borrowers”) and the lenders (the “Lenders”) named therein. Under the New Credit Agreement, the Borrowers may obtain revolving and swingline loans, in each case subject to certain amount limitations, in an amount up to \$1.0 billion in the aggregate outstanding at any time prior to September 4, 2018 (the “Commitment Termination Date”). These borrowings will not be secured with liens on any of the Company’s or its subsidiaries’ assets. The Company will guarantee all borrowings by the subsidiary Borrowers under the New Credit Agreement.

The Company may from time to time prior to the Commitment Termination Date increase the maximum availability under the New Credit Agreement by up to \$500 million if certain conditions are satisfied, including (i) the absence of any default or event of default under the New Credit Agreement, and (ii) the Company obtaining the consent of the Lenders participating in each such increase. In addition, prior to the Commitment Termination Date, the Company may, by notice to the administrative agent and subject to certain other conditions set forth in the New Credit Agreement including the absence of any default or event of default, elect to convert all or a ratable portion of the outstanding revolving loans under the New Credit Agreement into term loans (the “Term-Out Option”) that will mature on the first anniversary of the Commitment Termination Date. The Borrowers will pay a fee to the Lenders equal to 0.5% of the aggregate principal amount of the outstanding revolving loans converted into term loans pursuant to the Term-Out Option.

Borrowings under the New Credit Agreement will bear interest at varying rates, depending on the type of loan and, in some cases, the rates of designated benchmarks and the Borrower’s election. For all borrowings under the New Credit Agreement, Borrowers may choose among the following interest rates: (i) solely in the case of U.S. dollar-denominated loans, an interest rate equal to the highest of (1) the rate of interest publicly announced by JPMorgan Chase Bank, N.A. as its prime rate in effect at its principal office in New York City, (2) the greater of (A) the federal funds effective rate from time to time and (B) the overnight bank funding rate from time to time, in each case plus 0.5% and (3) the Adjusted LIBO Rate for a one month interest period plus 1.00%; (ii) an interest rate equal to the Adjusted LIBO Rate for the applicable interest period plus a rate ranging from 0.50% to 1.00%, depending on the credit rating of the Company’s senior unsecured long-term debt; or (iii) solely in the case of swingline loans, another rate agreed to by the applicable Lender and the applicable Borrower. The Adjusted LIBO Rate is a rate determined by reference to the rate payable on deposits in the relevant currency in the London interbank market. Currently, the Company’s senior unsecured long-term debt is rated A2 by Moody’s Investors Service, Inc. and A+ by Standard & Poor’s Financial Services LLC, which would result in a rate of the Adjusted LIBO Rate plus 0.75% under (ii) above. Credit ratings are not recommendations to buy and are subject to change, and each rating should be evaluated independently of any other rating. In addition, the Company undertakes no obligation to update disclosures concerning its credit ratings, whether as a result of new information, future events or otherwise.

The New Credit Agreement contains customary financial and other covenants. There are no material relationships between the Company or its affiliates and any of the Lenders, other than in connection with the New Credit Agreement and the Company’s existing \$1.75 billion Amended and Restated Credit Agreement dated as of November, 13, 2015 among the Company, certain of its subsidiaries and the lenders from time to time party thereto. The description of the New Credit Agreement set forth above is qualified by reference to the 364-Day Credit Agreement filed herewith as Exhibit 10.1 and incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant .

The information included in Item 1.01 above is incorporated herein by reference.

Within the foregoing limits and subject to the terms and conditions set forth herein, any Borrower may borrow, prepay and reborrow Revolving Loans.

Section 2.02. Loans and Borrowings. (a) Each Revolving Loan shall be made as part of a Borrowing consisting of Revolving Loans made by the Lenders ratably in accordance with their respective Commitments. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; *provided* that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required. Each Lender may, at its option, make any Loan available to any foreign Subsidiary Borrower by causing any foreign or domestic branch or Affiliate of such Lender to make such Loan; *provided* that any exercise of such option shall not affect the obligation of such foreign Subsidiary Borrower to repay such Loan in accordance with the terms of this Agreement.

(b) Subject to Section 2.13, each Revolving Borrowing shall be comprised entirely of ABR Loans or Euro-Currency Loans as the Borrower may request in accordance herewith. Each Lender at its option may make any Euro-Currency Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; *provided* that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement.

(c) At the time that any Revolving Borrowing is made, such Borrowing shall be (1) in the case of a Dollar-Denominated Revolving Borrowing, in an aggregate Dollar Amount that is not less than \$10,000,000 and an integral multiple of \$1,000,000 and (2) in the case of a Borrowing denominated in an Alternative Currency, in an aggregate amount in such Alternative Currency that is not less than 10,000,000 units of such Alternative Currency and an integral multiple of 1,000,000 units of such Alternative Currency; *provided* that an ABR Revolving Borrowing may be in an aggregate amount that is equal to the entire unused balance of the total Commitments. (d) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

Section 2.03. Requests for Revolving Borrowings. To request a Revolving Borrowing, the Borrower shall notify the Administrative Agent of such request (a) in the case of a Euro-Dollar Borrowing, by telephone not later than 11:00 a.m., New York City time, three Euro-Dollar Business Days before the date of the proposed Borrowing, (b) in the case of an Alternative Currency Borrowing, in writing at its London office not later than 11:00 a.m. London time, three Euro-Currency Business Days before the date of the proposed Borrowing or (c) in the case of an ABR Borrowing, by telephone not later than 11:00 a.m., New York City time, one Domestic Business Day before the date of the proposed Borrowing. - (i) the currency and the aggregate amount (in such currency) of the requested Borrowing;
- (ii) the date of such Borrowing, which shall be a Domestic Business Day in the case of an ABR Revolving Borrowing and a Euro-Currency Business Day in the case of a Euro-Currency Borrowing;
- (iii) in the case of a Revolving Borrowing in Dollars, whether such Borrowing is to be an ABR Borrowing or a Euro-Dollar Borrowing;
- (iv) in the case of a Euro-Currency Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and
- (v) the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.06.

If no election as to the Type of Revolving Borrowing denominated in Dollars is specified, then the requested Revolving Borrowing shall be a Euro-Dollar Borrowing with an Interest Period of one month's duration. If no Interest Period is specified with respect to any requested Euro-Currency Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

Section 2.04. Swingline Loans. (a) Subject to the terms and conditions set forth herein, each Swingline Lender severally agrees to make Swingline Loans to any Borrower in an Alternative Currency or in Dollars, as the Borrower elects, from time to time during the Availability Period, in an aggregate principal amount at any time outstanding that will not result in (A) the aggregate principal amount of outstanding Swingline Loans exceeding a Dollar Amount equal to \$150,000,000, (B) the aggregate principal amount of outstanding Swingline Loans made by any Swingline Lender exceeding a Dollar Amount equal to such Swingline Lender's Swingline Commitment or such higher amount as the applicable Swingline Lender may agree in writing, (C) such Swingline Lender's Revolving Credit Exposure exceeding its Commitment or (D) the total Revolving Credit Exposures of all Lenders exceeding the total Commitments; *provided* that no Swingline Lender shall be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrowers may borrow, repay and reborrow Swingline Loans.

(b) To request a Swingline Loan, the Borrower shall notify the applicable Swingline Lender (with a copy to the Administrative Agent) of such request by telephone (confirmed by facsimile or electronic communication, if arrangements for doing so have been approved by the applicable Swingline Lender), (i) in the case of an Alternative Currency Borrowing or a Euro-Dollar Borrowing, at its London office no later than 12:00 (noon) London time on the date of the proposed Swingline Loan (provided that the Borrower shall confirm such request by facsimile (or electronic communication, if arrangements for doing so have been approved by the applicable Swingline Lender) no later than 12 (noon) London time on the date of the proposed Swingline Loan), and (ii) in the case of an ABR Borrowing, not later than 1:00 p.m., New York City time, on the day of a proposed Swingline Loan. Each such notice shall be irrevocable and shall specify the requested date (which shall be a Domestic Business Day in the case of Dollar-Denominated Loans or a Euro-Currency Business Day in the case of an Alternative Currency Loan), currency and amount of the requested Swingline Loan and the location and number of the Borrower's account to which the funds are to be disbursed. Each Swingline Lender shall make each Swingline Loan to be made by it available to the Borrower by means of a credit to the account designated by the Borrower for such purpose by (i) 4:00 p.m. London time, in the case of Alternative Currency Loans and (ii) 4:00 p.m., New York City time, in the case of Dollar-Denominated Loans, on the requested date of such Swingline Loan.

(c) Any Swingline Lender may by written notice given to the Administrative Agent not later than (i) 10:00 a.m., London time, on any Euro-Currency Business Day, in the case of Alternative Currency Loans or (ii) 10:00 a.m., New York City time, on any Domestic Business Day, in the case of Dollar-Denominated Loans, require the Lenders to acquire participations on such Euro-Currency Business Day or Domestic Business Day (as applicable) in all or a portion of its Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Lender, specifying in such notice such Lender's Applicable Percentage of such Swingline Loan or Swingline Loans. Each Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent, for the account of such Swingline Lender, such Lender's Applicable Percentage of such Swingline Loan or Swingline Loans. Each Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, *mutatis mutandis*, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to such Swingline Lender the amounts so received by it from the Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to such Swingline Lender. Any amounts received by such Swingline Lender from the Borrower (or other party on behalf of the Borrower) in respect of a Swingline Loan after receipt by such Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Lenders that shall have made their payments pursuant to this paragraph and to such Swingline Lender, as their interests may appear; *provided* that any such payment so remitted shall be repaid to such Swingline Lender or to the Administrative Agent, as applicable, if and to the extent such payment is required to be refunded to the Borrower for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrower of any default in the payment thereof.

Section 2.05. [Reserved]

Section 2.06. Funding of Borrowings. (a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof:

(i) if such Borrowing is to be made in Dollars, not later than 12:00 noon (New York City time), in funds immediately available in New York City, to the account of the Administrative Agent most recently designated for such purpose by notice to the Lenders; *provided* that Swingline Loans shall be made as provided in Section 2.04; or

The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower designated by the Borrower in the applicable Borrowing Request.

Each Lender may, at its option, make any Loan available to any Borrower not organized in the United States by causing any foreign or domestic branch or Affiliate of such Lender to make such Loan; *provided* that any exercise of such option shall not affect the obligation of such Borrower to repay such Loan in accordance with the terms of this Agreement.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at the Federal Funds Effective Rate (if such amount was distributed in Dollars) or the rate per annum at which one-day deposits in the relevant currency are offered by the principal London office of the Administrative Agent in the London interbank market (if such amount was distributed in an Alternative Currency).

Section 2.07. Interest Elections. (a) Each Dollar-Denominated Revolving Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Euro-Dollar Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the applicable Borrower may elect to convert any Revolving Borrowing or, from and after the Term Loan Conversion Date, any Term Loan Borrowing to a different Type or to continue any such Borrowing and, in the case of a Euro-Dollar Borrowing, may elect Interest Periods therefor, all as provided in this Section. The applicable Borrower may elect different options with respect to different portions of any affected Revolving Borrowing or, if applicable, Term Loan Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Borrowings, which may not be converted or continued.

(b) To make an election pursuant to Section 2.07(a) in respect of a Revolving Borrowing or a Term Loan Borrowing, the applicable Borrower shall notify the Administrative Agent of such election by telephone by the time that a Revolving Borrowing Request for a Revolving Borrowing would be required under Section 2.03 if such Borrower were requesting a Dollar-Denominated Loan of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or facsimile to the Administrative Agent of a written Interest Election Request in a form approved by the Administrative Agent and signed by the applicable Borrower.

(c) Each telephonic and written Interest Election Request shall specify the following information:

(i) the Revolving Borrowing or Term Loan Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to paragraphs (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Domestic Business Day in the case of an ABR Borrowing and a Euro-Dollar Business Day in the case of a Euro-Dollar Borrowing;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Euro-Dollar Borrowing; and

(iv) if the resulting Borrowing is a Euro-Dollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Euro-Dollar Borrowing but does not specify an Interest Period, then the applicable Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the applicable Borrower fails to deliver a timely Interest Election Request with respect to a Euro-Dollar Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Revolving Borrowing or Term Loan Borrowing is repaid as provided herein, at the end of such Interest Period such Revolving Borrowing or Term Loan Borrowing, as the case may be, shall be continued as a Euro-Dollar Borrowing with an Interest Period of one month's duration. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the applicable Borrower, then, so long as an Event of Default is continuing (i) no outstanding Revolving Borrowing or Term Loan Borrowing may be converted to or continued as a Euro-Dollar Borrowing and (ii) unless repaid, each Euro-Dollar Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

(f) Each Revolving Loan that is an Alternative Currency Loan shall have an initial Interest Period as specified in the applicable Borrowing Request. Thereafter, the applicable Borrower may elect to continue such Revolving Borrowing or, if applicable from and after the Term Loan Conversion Date, any Term Loan Borrowing and may elect Interest Periods therefor, by notifying the Administrative Agent of such election by telephone by the time and at the office that a Revolving Borrowing Request would be required under Section 2.03 if such Borrower were requesting an Alternative Currency Loan to be made on the effective date of such election. The applicable Borrower may elect different options with respect to different portions of the affected Revolving Borrowing or, if applicable, Term Loan Borrowing (each in a minimum Dollar Amount of \$10,000,000), in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising any such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. Promptly following receipt of such Interest Election Request the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing. If the applicable Borrower fails to deliver a timely Interest Election Request with respect to an Alternative Currency Borrowing prior to the end of the Interest Period applicable thereto, or any Interest Election Request fails to specify an Interest Period, then unless such Borrowing is repaid as provided herein, such Borrower shall be deemed to have elected a subsequent Interest Period of one month's duration.

Section 2.08. Termination and Reduction of Commitments. (a) Unless previously terminated, the Commitments shall terminate on the Maturity Date.

(b) The Company may at any time terminate, or from time to time reduce, the Commitments; *provided* that (i) each reduction of the Commitments shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$10,000,000 and (ii) the Company shall not terminate or reduce the Commitments if, after giving effect to any concurrent prepayment of the Loans in accordance with Section 2.10, the total Revolving Credit Exposures of all Lenders would exceed the total Commitments.

(c) The Company shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section at least five Domestic Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Company pursuant to this Section shall be irrevocable; *provided* that a notice of termination of the Commitments delivered by the Company may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Company (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments shall be permanent. Each reduction of the Commitments under this Section 2.08 shall be made ratably among the Lenders in accordance with their respective Commitments.

Section 2.09. Repayment of Loans; Term Loan Conversion; Evidence of Debt.

(a) The Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Revolving Loan on the Maturity Date, and (ii) to each Swingline Lender the then unpaid principal amount of each of its Swingline Loans on the earlier of the Maturity Date and the date which is 15 Domestic Business Days after such Swingline Loan is made. The Company may, by written notice to the Administrative Agent given not fewer than 10 Domestic Business Days prior to the Commitment Termination Date, elect (such election, the “**Term Loan Election**”), effective as of the Commitment Termination Date (the “**Term Loan Conversion Date**”), to convert all or a ratable portion of the Revolving Loans outstanding on the Term Loan Conversion Date into Term Loans which the applicable Borrower shall repay in full ratably to the Lenders on the first anniversary of the Commitment Termination Date; *provided* that the Term Loan Election may not be exercised unless the conditions set forth in Section 4.04 are satisfied on the Term Loan Conversion Date. The conversion notice delivered by the Company shall specify: (x) the Type of the Term Loan Borrowing effective on the Term Loan Conversion Date and (y) in the case of a Euro-Currency Borrowing, the initial Interest Period to be applicable thereto. In the event that less than all of the Revolving Loans outstanding on the Commitment Termination Date are converted into Term Loans pursuant to this Section 2.09(a), any outstanding Revolving Loans not so converted shall be repaid in full on the Commitment Termination Date. The aggregate Commitment will terminate on the Commitment Termination Date and all commitment fees pursuant to Section 2.11(a) shall cease to accrue on the Commitment Termination Date. All Revolving Loans converted into Term Loans pursuant to this Section 2.09(a) shall continue to constitute Loans following the Term Loan Conversion Date except that the Borrowers may not thereafter reborrow pursuant to Section 2.01 after all or any portion of such Loans have been prepaid pursuant to Section 2.10 on or after the Commitment Termination Date.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the currency and amount of each Loan made hereunder, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the applicable Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be *prima facie* evidence of the existence and amounts of the obligations recorded therein; *provided* that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Loans in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans made by it to any Borrower be evidenced by a promissory note. In such event, such Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender and its registered assigns and in a form approved by the Administrative Agent and the Borrower. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 12.04) be represented by one or more promissory notes in such form payable to the order of the payee named therein and its registered assigns.

Section 2.10. Prepayment of Loans. (a) Each Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with paragraph (b) of this Section.

(b) The applicable Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the applicable Swingline Lender) by telephone (confirmed by facsimile) of any prepayment hereunder (i) in the case of prepayment of a Euro-Dollar Borrowing, not later than 11:00 a.m., New York City time, three Euro-Dollar Business Days before the date of prepayment, (ii) in the case of prepayment of an Alternative Currency Borrowing, to its London office not later than 11:00 a.m. London time three Euro-Currency Business Days before the date of prepayment, (iii) in the case of prepayment of an ABR Revolving Borrowing or ABR Term Loan Borrowing, not later than 11:00 a.m., New York City time, one Domestic Business Day before the date of prepayment or (iv) in the case of prepayment of a Swingline Loan, not later than 12:00 noon, New York City time (London time if such Swingline Loan is denominated in Alternative Currencies or made to a Borrower other than the Company), on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; *provided* that, if a notice of prepayment is given in connection with a conditional notice of termination of the Commitments as contemplated by Section 2.08, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.08. Promptly following receipt of any such notice relating to a Revolving Borrowing or a Term Loan Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Revolving Borrowing or Term Loan Borrowing shall be in an amount that would be permitted in the case of an advance of a Revolving Borrowing of the same Type as provided in Section 2.02. Each prepayment under this Section 2.10 shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.12.

Section 2.11. Fees. (a) Subject to Section 2.23, the Company agrees to pay to the Administrative Agent for the account of each Lender a commitment fee in Dollars, which shall accrue at the Applicable Rate on the daily unused amount of the Commitment of such Lender (other than a Defaulting Lender and disregarding, solely for purposes of computation of such fee, outstanding Swingline Loans) during the period from and including the Effective Date to but excluding the date on which such Commitment terminates. Accrued commitment fees shall be payable in arrears on the last day of March, June, September and December of each year and on the date on which the Commitments terminate, commencing on the first such date to occur after the date hereof. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(b) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, in the case of commitment fees and participation fees, to the Lenders entitled thereto. Fees paid in accordance with this Section 2.11 shall not be refundable under any circumstances.

Section 2.12. Interest. (a) The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Euro-Currency Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) The Loans comprising each Swingline Borrowing shall bear interest, at the election of the applicable Borrower, at (x) solely in the case of Swingline Loans denominated in Dollars, the Alternate Base Rate plus the Applicable Rate, (y) the Adjusted LIBO Rate that would be applicable to Euro-Currency Loans in the applicable currency with a one-month Interest Period commencing on the date such loan is made, plus the Applicable Rate, or (z) prior to any funding by the Lenders of their participations therein pursuant to Section 2.04(c), at such other rate as shall from time to time be agreed between the applicable Swingline Lender and the applicable Borrower.

(d) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by any Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of or interest on any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section.

(e) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan, on the Maturity Date for such Loan and, in the case of Revolving Loans, upon termination of the Commitments; *provided* that (i) interest accrued pursuant to paragraph (d) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Euro-Dollar Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(f) All interest hereunder shall be computed on the basis of a year of 360 days, except that (i) interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and (ii) interest computed with respect to Loans denominated in Pound Sterling shall be computed on the basis of a year of 365 days, and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate or Adjusted LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

Section 2.13. Alternate Rate of Interest. If prior to the commencement of any Interest Period for a Euro-Currency Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate for deposits in the relevant currency for such Interest Period; or

(b) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate applicable to Euro-Currency Borrowings in the relevant currency for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Company and the Lenders by telephone or facsimile as promptly as practicable thereafter and, until the Administrative Agent notifies the Company and the Lenders that the circumstances giving rise to such notice no longer exist (which the Administrative Agent shall do promptly after becoming aware thereof), (i) any Interest Election Request that requests the conversion of any Revolving Borrowing or Term Loan Borrowing to, or continuation of any Revolving Borrowing or Term Loan Borrowing as, a Euro-Currency Borrowing of the affected currency shall be ineffective and (ii) if any Borrowing Request requests a Euro-Currency Borrowing in the affected currency, such Borrowing shall be made as an ABR Borrowing in an equal Dollar Amount.

Section 2.14. Increased Costs. (a) If any Change in Law shall

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender or its Applicable Lending Office (except any such reserve requirement reflected in the Adjusted LIBO Rate); or

(ii) impose on any Lender (or its Applicable Lending Office) or the London interbank market any other condition affecting this Agreement or Euro-Currency Loans made by such Lender or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender (or its Applicable Lending Office) of making or maintaining any Euro-Currency Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender (or its Applicable Lending Office) of participating in, issuing or maintaining any Swingline Loan or to reduce the amount of any sum received or receivable by such Lender (or its Applicable Lending Office) (whether of principal, interest or otherwise), then the Company will pay (or will cause the relevant Borrower to pay) to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Swingline Loans held by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time the Company will pay (or will cause the relevant Borrower to pay) to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) If a Change in Law shall subject any Lender to any Taxes (other than Indemnified Taxes and Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations hereunder, or its deposits, reserves, other liabilities or capital attributable thereto, and the result shall be to increase the cost to such Lender of making or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise), then the Company will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(d) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a), (b) or (c) of this Section and the calculation of such amount or amounts in reasonable detail shall be delivered to the Company and shall be conclusive absent clearly demonstrable error; *provided* that such Lender shall not be required to disclose any information to the extent prohibited by law or regulation. The Company or the relevant Borrower, as the case may be, shall pay such Lender the amount shown as due on any such certificate free of clearly demonstrable error within 15 days after receipt thereof. In requesting any compensation pursuant to this Section, each Lender will use good faith efforts to treat the applicable Borrower in substantially the same manner as such Lender treats other similarly situated borrowers under similar circumstances.

(e) Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation, as the case may be; *provided* that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.14 for any increased costs or reductions incurred more than 90 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's claim to receive compensation therefor; *provided further* that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 90-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.15. Break Funding Payments. In the event of (a) the payment of any principal of any Euro-Currency Loan (or Swingline Loan that is not an ABR Loan) other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Euro-Dollar Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Euro-Currency Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.10(b) and is revoked in accordance therewith) or (d) the assignment of any Euro-Currency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, then, in any such event, the relevant Borrower shall compensate each Lender for the loss (excluding loss of margin), cost and expense attributable to such event. Such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in Dollars or other applicable currency of a comparable amount and period from other banks in the London interbank market; *provided, however*, that such Borrower shall not be required to compensate any Lender for any costs of terminating or liquidating any hedge or trading position (including any rate swap, basis swap, forward rate transaction, interest rate option, cap, collar or floor transaction, or any similar transaction). A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section and the calculation of such amount or amounts in reasonable detail shall be delivered to the Borrower and shall be conclusive absent clearly demonstrable error. The Borrower shall pay such Lender the amount shown as due on any such certificate free of clearly demonstrable error within 10 days after receipt thereof.

Section 2.16. Taxes. (a) Any and all payments by or on account of any obligation of any Credit Party under the Loan Documents shall be made free and clear of and without deduction for any Taxes, except as required by applicable law. If any Credit Party or the Administrative Agent (the “**Withholding Agent**”) shall be required to deduct any Indemnified Taxes or Other Taxes from or in respect of any sum payable under the Loan Documents to any Lender or the Administrative Agent, then (i) the sum payable by such Credit Party shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Administrative Agent or such Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Withholding Agent shall make such deductions and (iii) the Withholding Agent shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, each Credit Party shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) The relevant Credit Party shall indemnify the Administrative Agent and each Lender, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent or such Lender, as the case may be, on or with respect to any payment by or on account of any obligation of such Credit Party under the Loan Documents (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority; *provided* that the relevant Credit Party shall not be obligated to indemnify the Administrative Agent or such Lender, as the case may be, pursuant to this Section in respect of penalties, interest or similar liabilities arising therefrom or with respect thereto to the extent such penalties, interest or similar liabilities are attributable to the gross negligence or willful misconduct by the Administrative Agent or such Lender, as the case may be. A certificate as to the amount of such payment or liability delivered to the relevant Credit Party by a Lender or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent clearly demonstrable error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by any Credit Party to a Governmental Authority, such Credit Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments under this Agreement shall deliver to the Company (with a copy to the Administrative Agent), at the time or times reasonably requested by the Company or the Administrative Agent, such properly completed and executed documentation prescribed by applicable law or reasonably requested by the Company or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate. In addition, any Lender, if requested by the Company or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Company or the Administrative Agent as will enable the Company or the Administrative Agent to determine whether or not such Lender is subject to any withholding (including backup withholding) or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.16(f), (g), (h) and (i) below) shall not be required if in the Lender's judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(f) Without limiting the foregoing, at the times indicated herein, each Foreign Lender shall, to the extent it is legally entitled to do so, provide the Company and the Administrative Agent with duly and accurately executed originals of Internal Revenue Service form W-8BEN, W-8BEN-E, W-8IMY (accompanied by a form W-8ECI, W-8BEN, W-8BEN-E or W-9 and other certification documents from each beneficial owner, as applicable) or W-8ECI (in each case accompanied by any statements which may be required under applicable Treasury regulations), as appropriate, or any successor form prescribed by the Internal Revenue Service, certifying that such Lender is entitled to receive payments under this Agreement (i) without deduction or withholding of any United States federal income Taxes or (ii) subject to a reduced rate of United States federal withholding Tax. Such forms shall be provided (x) on or prior to the date of the Lender's execution and delivery of this Agreement in the case of each Lender listed on the signature pages hereof, and on or prior to the date on which it becomes a Lender in the case of each other Lender, and (y) on or before the date that such form expires or becomes obsolete or after the occurrence of any event requiring a change in the most recent form so delivered by the Lender.

(g) Any Lender that is a "United States person" within the meaning of Section 7701(a)(30) of the Code shall deliver to the Company and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Company or the Administrative Agent), duly and accurately executed originals of Internal Revenue Service form W-9 certifying, to the extent such Lender is legally entitled to do so, that such Lender is not subject to U.S. federal backup withholding Tax. For the avoidance of doubt, such Tax is an "Excluded Tax".

(h) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Company and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Company or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Company or the Administrative Agent as may be necessary for the Company or the Administrative Agent to comply with its obligations under FATCA, to determine that such Lender has or has not complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for the purposes of this Section 2.18(h), "FATCA" shall include any amendments made to FATCA after the date of this Agreement, whether or not included in the definition of FATCA.

(i) Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Company and the Administrative Agent in writing of its legal inability to do so.

(j) If the Administrative Agent or a Lender determines, in its sole discretion, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by any Borrower or with respect to which any Borrower has paid additional amounts pursuant to this Section 2.16, it shall pay over such refund to such Borrower (but only to the extent of indemnity payments made, or additional amounts paid, by such Borrower under this Section 2.16 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses with respect to such refund of the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided* that such Borrower, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This Section shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes which it deems confidential) to the Borrower or any other Person.

(k) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the applicable Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the such Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with this Agreement, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (k).

(l) Each party's obligations under this Section 2.16 shall survive any assignment of rights by, or the replacement of, a Lender, the resignation or replacement of the Administrative Agent, the termination of the Commitments and the repayment, satisfaction or discharge of all other obligations under this Agreement.

Section 2.17. Foreign Subsidiary Costs. If the cost to any Lender of making or maintaining any Loan to a Subsidiary Borrower is increased, or (except as permitted by Section 2.16) the amount of any sum received or receivable by any Lender (or its Applicable Lending Office) is reduced in each case by an amount deemed by such Lender to be material, by reason of the fact that such Subsidiary Borrower is incorporated in, or conducts business in, a jurisdiction outside the United States, the Company shall indemnify such Lender for such increased cost or reduction within 15 days after demand by such Lender (with a copy to the Administrative Agent). A certificate of such Lender claiming compensation under this Section 2.17 and setting forth the additional amount or amounts to be paid to it hereunder (and a calculation thereof in reasonable detail) shall be delivered to the Company contemporaneously with any such demand and shall be conclusive in the absence of clearly demonstrable error. In requesting any compensation pursuant to this Section, each Lender will use good faith efforts to treat the Company in substantially the same manner as such Lender treats other similarly situated borrowers under similar circumstances.

Section 2.18. Payments Generally; Pro Rata Treatment; Sharing of Set-offs. (a) The Borrower shall make each payment of principal of, and interest on, the Dollar-Denominated Loans, and of fees hereunder, not later than 12:00 noon (New York City time) on the date when due, in Dollars in funds immediately available in New York City. The Borrower shall make each payment of principal of, and interest on, the Alternative Currency Loans denominated in an Alternative Currency in the relevant Alternative Currency in such funds as may then be customary for the settlement of international transactions in such Alternative Currency. Each such payment shall be made without reduction by reason of any set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Domestic Business Day (in the case of amounts denominated in Dollars) or Euro-Currency Business Day (in the case of amounts denominated in an Alternative Currency) for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at 270 Park Avenue, New York, New York, except payments to be made directly to a Swingline Lender as expressly provided herein and except that payments pursuant to Sections 2.14, 2.15, 2.16, 2.17 and 12.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Domestic Business Day (in the case of ABR Loans denominated in Dollars) or a Euro-Currency Business Day (in the case of Euro-Currency Loans denominated in an Alternative Currency), the date for payment shall be extended to the next succeeding Domestic Business Day (in the case of ABR Loans denominated in Dollars) or Euro-Currency Business Day (in the case of Euro-Currency Loans denominated in an Alternative Currency), and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Revolving Loans or participations in Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans and participations in Swingline Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Revolving Loans and participations in Swingline Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Loans and participations in Swingline Loans; *provided* that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by any Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Company or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Company or the applicable Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders that a Borrower will not make such payment, the Administrative Agent may assume that such Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders, the amount due. In such event, if such Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at (i) the Federal Funds Effective Rate (if such distribution was made in Dollars) or (ii) the rate per annum at which one-day deposits in the relevant currency are offered by the principal London office of the Administrative Agent in the London interbank market (if such distribution was made in an Alternative Currency).

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.04(c), 2.06(b), 2.18(d) or 12.03(c), then the Administrative Agent may, in its discretion and notwithstanding any contrary provision hereof, (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender under this Agreement for the benefit of the Administrative Agent or any Swingline Lender to satisfy such Lender's obligations to it under such Section until all such unsatisfied obligations are fully paid, and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under any such Section, in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

Section 2.19. Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.14 or 2.17, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.16, then such Lender shall use reasonable efforts to designate a different Applicable Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.14, 2.16 or 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Company hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender or Participant of any Lender requests compensation under Section 2.14 or 2.17, or if any Borrower is required to pay any additional amount to any Lender, any Participant of any Lender or any Governmental Authority for the account of any Lender (or a Participant) pursuant to Section 2.16, or if any Lender becomes a Defaulting Lender or invokes Section 2.22, or if any Lender shall reject a requested additional Approved Jurisdiction or refuse to consent to any waiver, amendment or other modification that would otherwise require such Lender's consent but to which the Required Lenders have consented, or if the credit (or similar) rating of any Lender (or any Parent thereof) by one or more of S&P or Moody's or any other nationally recognized statistical rating organization shall at any time be lower than BBB/Baa2 (or the equivalent), or if, as to any Lender, such Lender (or Parent thereof) shall at any time have no credit (or similar) rating in effect by at least one such organization, or if any Lender is a Disqualified Institution at the time it becomes a Lender or any Lender assigns or participates all or any portion of its Loans and/or Commitments to a Disqualified Institution in violation of Section 12.04, without the written consent of the Borrower, then the Company may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 12.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); *provided* that (i) the Company shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld, conditioned or delayed, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and funded participations in Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Company or the relevant Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.14 or 2.17 or payments required to be made pursuant to Section 2.16, such assignment will result in a reduction in such compensation or payments.

Section 2.20. **Currency Equivalents.** (a) The Administrative Agent shall determine the Dollar Amount of each Alternative Currency Loan as of the first day of each Interest Period applicable thereto (or, in the case of a Swingline Loan, the date of borrowing) and, in the case of any such Interest Period of more than three months, at three-month intervals after the first day thereof, and shall promptly notify the Borrower and the Lenders of each Dollar Amount so determined by it. Each such determination shall be based on the Spot Rate (i) on the date of the related Borrowing Request (or request pursuant to Section 2.04) for purposes of the initial such determination for any Alternative Currency Loan and (ii) on the fourth Euro-Currency Business Day prior to the date as of which such Dollar Amount is to be determined, for purposes of any subsequent determination.

(b) If, other than as a result of fluctuations in currency exchange rates, after giving effect to any such determination of a Dollar Amount, the total Revolving Credit Exposures of all Lenders exceed the aggregate amount of the Commitments or if at any time, solely as a result of fluctuations in currency exchange rates, the aggregate Dollar Amount of Loans exceeds 105% of the aggregate amount of the Commitment, the Borrowers shall within five Euro-Currency Business Days prepay outstanding Loans (as selected by the Company and notified to the Lenders through the Administrative Agent not less than three Euro-Currency Business Days prior to the date of prepayment) or take other action to the extent necessary to eliminate any such excess.

Section 2.21. **Margin Determinations.** The Administrative Agent shall determine the Applicable Rate from time to time in accordance with the provisions set forth below:

The “**Euro-Currency Margin**” at any date is a rate per annum equal to the then applicable rate set forth in the “Pricing Grid” below under the column headed “Euro-Currency Margin.”

The “**ABR Margin**” at any date is a rate per annum equal to the then applicable rate set forth in the “Pricing Grid” below under the column headed “ABR Margin.”

The “**Commitment Fee Rate**” at any date is a rate per annum equal to the then applicable rate set forth in the “Pricing Grid” below under the column headed “Commitment Fee.”

Pricing Grid

Pricing Level	Commitment Fee	Euro-Currency Margin	ABR Margin
I	0.015%	0.50%	0.00%
II	0.02%	0.625%	0.00%
III	0.03%	0.75%	0.00%
IV	0.04%	0.875%	0.00%
V	0.065%	1.00%	0.00%

For purposes of the foregoing table, the following terms have the following meanings, subject to the further provisions of this Section:

“**Level I Pricing**” applies at any date if, at such date, the Company’s senior unsecured long-term debt is rated AA or higher by S&P and Aa2 or higher by Moody’s.

“**Level II Pricing**” applies at any date if, at such date (i) no better Pricing Level applies and (ii) the Company’s senior unsecured long-term debt is rated AA- by S&P and Aa3 by Moody’s.

“**Level III Pricing**” applies at any date if, at such date (i) no better Pricing Level applies and (ii) the Company’s senior unsecured long-term debt is rated A+ by S&P and A1 by Moody’s.

“**Level IV Pricing**” applies at any date if, at such date, (i) no better Pricing Level applies and (ii) the Company’s senior unsecured long-term debt is rated A by S&P and A2 by Moody’s.

“**Level V Pricing**” applies at any date if, at such date, no other Pricing Level applies.

“**Pricing Level**” refers to the determination of which of Level I, Level II, Level III, Level IV or Level V Pricing applies at any date. A “better” Pricing Level is one with a lower roman numeral.

“**Rating Agency**” means S&P or Moody’s (and their successors).

In determining the applicable Pricing Level: (a) if ratings are available from the two Rating Agencies but are not equivalent, then (i) if the ratings differential is one ratings level, the Pricing Level shall be that applicable to the higher of the two ratings and (ii) if the ratings differential is two rating levels or more, the Pricing Level shall be that which would be applicable to a rating which is one rating level below the higher of the two ratings, (b) if a rating from only one Rating Agency is available, then the Pricing Level shall be that applicable to such rating and (c) if ratings are not available from either of the two Rating Agencies, then Level V Pricing shall apply.

The credit ratings to be utilized for purposes of this Section are those assigned by S&P or Moody’s to the senior unsecured long-term debt securities of the Company without third-party credit enhancement, and any rating assigned to any other debt security of the Company shall be disregarded; *provided* that if no such rating is available from any one or more of the two Rating Agencies, the ratings used for purposes of determining the Pricing Level with respect to each such Rating Agency shall be the corporate family rating assigned by such Rating Agency to the Company. The rating in effect at any date is that in effect at the close of business on such date. If the rating system of any Rating Agency shall change, or if any Rating Agency shall cease to be in the business of rating corporate debt obligations, the Company and the Administrative Agent shall negotiate in good faith to amend this Section to reflect such changed rating system or the nonavailability of ratings from such Rating Agency and, pending the effectiveness of any such amendment, the Pricing Level shall be determined by reference to the rating most recently in effect prior to such change or cessation.

Section 2.22. Illegality. (a) If, after the Effective Date, the adoption of any applicable law, rule or regulation, or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its Euro-Currency Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impossible for any Lender (or its Euro-Currency Lending Office) to make, maintain or fund its Euro-Currency Loans to any Borrower and such Lender shall so notify the Administrative Agent, the Administrative Agent shall forthwith give notice thereof to the other Lenders and the Company, whereupon until such Lender notifies the Company and the Administrative Agent that the circumstances giving rise to such suspension no longer exist (which such Lender shall do promptly after becoming aware thereof), the obligation of such Lender to make Euro-Currency Loans to such Borrower, or to convert outstanding Loans to such Borrower into Euro-Dollar Loans, shall be suspended. If such notice is given with respect to Euro-Dollar Loans, each Euro-Dollar Loan of such Lender then outstanding shall be converted to an ABR Loan either (i) on the last day of the then current Interest Period applicable to such Euro-Dollar Loan if such Lender may lawfully continue to maintain and fund such Euro-Dollar Loan to such day or (ii) immediately if such Lender shall determine that it may not lawfully continue to maintain and fund such Euro-Dollar Loan to such day. If such notice is given with respect to Alternative Currency Loans, the relevant Borrower shall prepay such Alternative Currency Loans either (i) on the last day of the then current Interest Period applicable to such Alternative Currency Loan if such Lender may lawfully continue to maintain and fund such Alternative Currency Loan to such day or (ii) immediately if such Lender shall determine that it may not lawfully continue to maintain and fund such Alternative Currency Loan to such day.

(b) If it is unlawful for any Lender (or its Applicable Lending Office) to make or maintain Loans to any Subsidiary Borrower and such Lender shall so notify the Administrative Agent, the Administrative Agent shall forthwith give notice thereof to the other Lenders and the Company, whereupon until such Lender notifies the Company and the Administrative Agent that the circumstances giving rise to such suspension no longer exist (which such Lender shall do promptly after becoming aware thereof), the obligation of such Lender to make or maintain Loans to such Subsidiary Borrower shall be suspended. If such notice is given, each Loan of such Lender then outstanding to such Subsidiary Borrower shall be prepaid either (i) in the case of a Euro-Currency Loan, on the last day of the then current Interest Period applicable thereto if such Lender may lawfully continue to maintain such Loan to such day or (ii) immediately if clause (i) does not apply.

(c) If so requested by the Administrative Agent and the Company, and provided that it may lawfully do so, any Lender whose Alternative Currency Loans have been prepaid pursuant to clause (a) of this Section or whose Loans to a Subsidiary Borrower have been prepaid pursuant to clause (b) of this Section shall purchase participations in the related Loans of the other Lenders, and such other adjustments shall be made, including without limitation Loans to the Company in an equivalent Dollar Amount in the event that participations in such related Loans may not lawfully be purchased by such Lenders, as may be required so that the credit exposure of the Lenders with respect to the Loans is shared on a basis proportionate to the Commitments of the Lenders.

(d) Before giving any notice to the Administrative Agent pursuant to this Section, such Lender shall designate a different Applicable Lending Office if such designation will avoid the need for giving such notice and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender.

Section 2.23. Defaulting Lenders. If any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees shall cease to accrue on the unused portion of the Commitment of such Defaulting Lender pursuant to Section 2.11(a);

(b) if any Swingline Exposure exists with respect to a Lender at the time such Lender becomes a Defaulting Lender then:

(i) *provided* no Default shall have occurred and be continuing, the Swingline Exposure (other than the portion of such Swingline Exposure referred to in clause (b) of the definition of such term) of such Defaulting Lender shall be automatically reallocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentages but only to the extent the sum of all non-Defaulting Lenders' Revolving Credit Exposures plus such Defaulting Lender's Swingline Exposure does not exceed the total of all non-Defaulting Lenders' Commitments; and

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall within three Domestic Business Days following notice by the Administrative Agent prepay such Swingline Exposure; and

(c) so long as such Lender is a Defaulting Lender, the Swingline Lenders shall not be required to fund any Swingline Loan, unless the Defaulting Lender's then outstanding Swingline Exposure after giving effect thereto will be 100% covered by the Commitments of the non-Defaulting Lenders and/or prepaid, reduced, terminated and/or cash collateralized in accordance with Section 2.23(b), and participating interests in any newly made Swingline Loan shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.23(b)(i) (and such Defaulting Lender shall not participate therein).

If a Swingline Lender has a good faith belief that any Lender has defaulted in fulfilling its funding obligations under one or more other agreements in which such Lender commits to extend credit, no Swingline Lender shall be required to fund any Swingline Loan, unless the Swingline Lenders shall have entered into arrangements with the Borrower or such Lender, reasonably satisfactory to the Swingline Lenders, to defease any risk to the Swingline Lenders in respect of such Lender hereunder relating to Swingline Exposure.

In the event that the Administrative Agent, the Borrower and the Swingline Lenders reasonably determine that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swingline Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par such of the Loans of the other Lenders (other than Swingline Loans) as the Administrative Agent shall determine is necessary in order for such Lender to hold such Loans in accordance with its Applicable Percentage.

Section 2.24. [Reserved].

Section 2.25. Increase in the Aggregate Commitments.

(a) Provided that no Default or Event of Default has occurred and is continuing, the Company may from time to time, at any time prior to the Commitment Termination Date, by notice to the Administrative Agent, request that the aggregate amount of the Commitments be increased by an amount of \$10,000,000 or an integral multiple thereof (each a “**Commitment Increase**”) to be effective as of a date that is not later than 90 days prior to the Commitment Termination Date (an “**Increase Date**”) as specified in the related notice to the Administrative Agent; *provided, however* that in no event shall the aggregate amount of the Commitments at any time exceed \$1,500,000,000; *provided, further* that each Commitment Increase shall rank *pari passu* with, and shall be on terms identical to (excluding upfront fees, which need not be on terms identical to), the existing Commitments in effect immediately prior to giving effect to such Commitment Increase.

(b) In its notice to the Administrative Agent regarding a Commitment Increase, the Company shall specify the amount of such Commitment Increase, each existing Lender (each an “**Increasing Lender**”) and each additional lender (each a “**New Lender**”) (each of which additional lenders shall be a bank, financial institution or other entity reasonably acceptable to the Administrative Agent and each Swingline Lender) that is willing to provide an additional or new Commitment in respect thereof, the amount of each Increasing Lender’s additional Commitment in respect thereof (if any), the amount of each New Lender’s new Commitment in respect thereof (if any) and the related Increase Date. It is understood and agreed that no Lender shall have any obligation whatsoever to agree to any increase in its Commitment.

(c) Any Increasing Lender that elects to increase its Commitment shall execute a Commitment Increase Supplement, whereupon such Increasing Lender’s Commitment shall increase by the amount set forth therein effective on the Increase Date specified therein. Any New Lender that elects to become a “Lender” under this Agreement shall execute a new lender supplement substantially in the form of Exhibit H (a “**New Lender Supplement**”), whereupon such New Lender shall become a Lender, with a Commitment in the amount set forth therein that is effective on the Increase Date specified therein, for all purposes and to the same extent as if originally a Lender party hereto and shall be bound by and entitled to the benefits of this Agreement.

(d) No increase in the Commitments (or in the Commitment of any Lender) shall become effective under this paragraph unless, on the applicable Increase Date:

(i) the conditions set forth in Section 4.02 shall be satisfied (with all references in such paragraphs to a Borrowing being deemed to be references to such increase); and

(ii) the Administrative Agent shall have received on or before such Increase Date the following, each dated such date:

(A) (a) certified copies of the general resolutions of the board of directors of the Borrower which authorize the borrowings under the Commitment Increase and the corresponding modifications to this Agreement and (b) opinions of counsel for the Company and Borrower, as applicable, in form and substance reasonably satisfactory to the Administrative Agent addressing the matters set forth in Exhibits B-1, B-2, B-3A and B-3B, as applicable;

(B) From (x) each New Lender, a New Lender Supplement, duly executed by such New Lender, the Administrative Agent and the Company; and (y) from each Increasing Lender, a Commitment Increase Supplement, duly executed by such Lender, the Administrative Agent and the Company.

(e) Unless otherwise agreed by the Administrative Agent, on each Increase Date, subject to the satisfaction of the conditions of this Section 2.25, each Borrower shall prepay all then outstanding Loans made to it, which prepayment shall be accompanied by payment of all accrued interest on the amount prepaid and any amounts payable pursuant to Section 2.15 in connection therewith, and, to the extent it determines to do so, reborrow Loans from all the Lenders (after giving effect to the new and/or increased Commitments becoming effective on such date). Any prepayment and reborrowing pursuant to the preceding sentence shall be effected, to the maximum extent practicable, through the netting of amounts payable between the relevant Borrower and the respective Lenders with a view toward minimizing breakage costs and transfers of funds.

ARTICLE 3 Representations and Warranties

The Company and each Original Subsidiary Borrower represents and warrants as of the Effective Date (and as of each subsequent date required under Section 4.02) to the Administrative Agent and the Lenders that:

Section 3.01. Organization; Powers. It and each Significant Subsidiary (a) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization (it being understood that no representation or warranty is made under this Section 3.01(a) as of the Effective Date with respect to the good standing of CMI UK Finance LP), (b) has all requisite power and authority to own its property and assets and to carry on its business as now conducted and as proposed to be conducted, except where the failure to have such power and authority could not reasonably be expected to result in a Material Adverse Effect, (c) is qualified to do business in every jurisdiction where such qualification is required, except where the failure so to qualify could not reasonably be expected to result in a Material Adverse Effect, and (d) has the power and authority to execute, deliver and perform its obligations under each Loan Document to which it is a party and under each other agreement or instrument contemplated thereby to which it is or will be a party and, in the case of any Borrower, to borrow hereunder.

Section 3.03. Enforceability. This Agreement has been duly executed and delivered by the Company and each Original Subsidiary Borrower and constitutes, and each other Loan Document to which any Credit Party is party, when executed and delivered by such Credit Party, will constitute, a legal, valid and binding obligation of each such Credit Party enforceable against each such Credit Party in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law. The Loans and all other obligations or liabilities of the Company and each other Borrower hereunder shall not be subordinated in right of payment to any other Indebtedness of the Company or such Borrower, respectively (it being understood that secured obligations of the Company or any other Borrower have, by virtue of such security, a prior claim on the related collateral).

Section 3.04. Governmental Approvals. No action, consent or approval of, registration or filing with or other action by any Governmental Authority to be made or obtained by any Credit Party is or will be required in connection with the Transactions, except such as will have been made or obtained on or before the Effective Date and thereafter will be in full force and effect and any informational filing with the Securities and Exchange Commission.

Section 3.05. Financial Statements. Such financial statements present fairly in all material respects the financial position of the Company and its Consolidated Subsidiaries as of such dates and their results of operations and cash flows for such periods. Such statements of financial position and the notes thereto disclose all material liabilities, direct or contingent, of the Company and its Consolidated Subsidiaries as of the dates thereof required to be disclosed under GAAP. Such financial statements were prepared in accordance with GAAP applied on a consistent basis.

(b) Since December 31, 2016, there has been no material adverse change in the business, assets, property or financial condition of the Company and its Subsidiaries taken as whole.

(b) Neither the Company nor any of the Subsidiaries is in violation of any law, rule or regulation (including, without limitation, the Trading with the Enemy Act of the United States of America (as amended), any of the foreign assets control regulations of the United States Treasury Department (as amended) and the Patriot Act), or in default with respect to any judgment, writ, injunction or decree of any Governmental Authority, where such violation or default could reasonably be expected to result in a Material Adverse Effect.

Section 3.07. Federal Reserve Regulations. The making of the Loans hereunder and the use of the proceeds thereof as contemplated hereby will not violate or be inconsistent with Regulation U or Regulation X. After application of the proceeds of any Loan, not more than 25% of the assets of the Company and its Subsidiaries taken as a whole will be represented by margin stock (within the meaning of Regulation U).

Section 3.08. No Regulatory Restrictions on Borrowing. Neither the Company nor any other Borrower is (a) an “investment company” as defined in, or subject to regulation under, the Investment Company Act of 1940, as amended, or (b) subject to any other applicable regulatory scheme which restricts its ability to incur the indebtedness to be incurred hereunder.

Section 3.09. Tax Returns. The Company and each Subsidiary has filed or caused to be filed all Federal, state and local tax returns required to have been filed by it and has paid or caused to be paid all taxes shown to be due and payable on such returns or on any assessments received by it, except (a) taxes that are being contested in accordance with Section 5.03 or (b) to the extent that the failure to do any of the foregoing could not reasonably be expected to result in a Material Adverse Effect.

Section 3.10. Environmental Matters. Except with respect to any matters that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, neither the Company nor any of its Subsidiaries (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) has become subject to any Environmental Liability, (iii) has received written notice of any claim with respect to any Environmental Liability, or (iv) knows of any basis for any Environmental Liability.

There are no unfunded benefit liabilities (as defined in Section 4001(a)(18) of ERISA with respect to any Plan, except as could not reasonably be expected to have a Material Adverse Effect.

Section 3.12. No Material Misstatements. As of the Effective Date, the Information Memorandum does not contain any material misstatement of fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they are made, not materially misleading, and no other written information, report, financial statement, exhibit or schedule furnished by or on behalf of the Company or any Subsidiary to the Administrative Agent or any Lender in connection with the negotiation of the Loan Documents, when taken together with all other such written information, reports, financial statements, exhibits or schedules, contained any material misstatement of fact or omitted to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not materially misleading as of the date furnished (or, if such written information, reports, financial statements, exhibits or schedules specify an earlier date, such earlier date).

Section 3.13. Anti-Corruption Laws and Sanctions. Each of the Credit Parties has implemented and maintains in effect policies and procedures designed to promote and achieve compliance by the Credit Parties and their respective subsidiaries, directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions, and each of the Credit Parties, their respective subsidiaries and their respective officers and employees and, to the knowledge of the executive officers of each Credit Party, its directors and agents are in compliance with Anti-Corruption Laws and applicable Sanctions, in each case in all material respects. None of (a) the Credit Parties or any of their respective subsidiaries or, to the knowledge of the applicable Credit Party, any of their respective directors, officers or employees, or (b) to the knowledge of the Credit Parties, any agent of the Credit Parties or any of their respective subsidiaries that will act in any capacity in connection with or directly benefit from the credit facility established hereby, is a Sanctioned Person. None of the Credit Parties nor any of their respective subsidiaries is organized or resident in a Sanctioned Country. No Borrowing or use of proceeds thereof by any Credit Party will violate Anti-Corruption Laws or applicable Sanctions.

The bank serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and such bank and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Company or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent hereunder.

Section 9.03. Limited Duties and Responsibilities of Administrative Agent. The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that the Administrative Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02) and (c) except as expressly set forth in any Loan Document, the Administrative Agent shall not have any duty to disclose, and shall not be liable to any Lender for the failure to disclose, any information relating to the Company or any of its Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02) or in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Company or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered under any Loan Document or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Article 4 or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

Section 9.04. Authority of Administrative Agent to Rely on Certain Writings, Statements and Advice. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (who may be counsel for the Company), independent accountants and other experts selected by it in good faith, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 9.05. Sub-Agents and Related Parties. The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent. Section 9.06. Resignation; Successor Administrative Agent. Subject to the appointment and acceptance of a successor Administrative Agent as provided in this paragraph, the Administrative Agent may resign at any time by notifying the Lenders and the Company. Upon any such resignation, the Required Lenders shall have the right, in consultation with the Company, to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. Upon the acceptance of its appointment as a successor Administrative Agent hereunder, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Company to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Company and such successor. After the Administrative Agent's resignation hereunder, the provisions of this Article and Section 12.03 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent.

Section 9.07. Credit Decisions by Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon the Loan Documents, any related agreement or any document furnished hereunder or thereunder.

Section 9.08. Administrative Agent's Fee. The Company agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Company and the Administrative Agent.

Such Eligible Subsidiary (a) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, (b) has the power and authority to execute, deliver and perform its obligations hereunder and under each other agreement or instrument contemplated thereby to which it is or will be a party and to borrow hereunder and (c) is a Wholly-Owned Consolidated Subsidiary.

Section 10.02. Authorization. The Transactions and the execution and delivery by such Eligible Subsidiary of its Election to Participate and the performance by such Eligible Subsidiary of this Agreement, (a) have been duly authorized by all requisite corporate, partnership, limited liability company or analogous and, if required, stockholder, partner, member or analogous action and (b) will not (i) materially violate any provision of law, statute, rule or regulation, or of the certificate or articles of incorporation or other constitutive documents or by-laws of such Eligible Subsidiary, (ii) materially violate any order of any Governmental Authority or (iii) materially violate any provision of any material indenture, agreement or other instrument to which such Eligible Subsidiary is a party or by which any of them or any of their property is or may be bound, (iv) be in material conflict with, result in a breach of or constitute (alone or with notice or lapse of time or both) a material default under any such indenture, agreement or other instrument or (v) result in the creation or imposition of any Lien upon any property or assets of such Eligible Subsidiary (other than under any Loan Document).

Section 10.03. Enforceability. Its Election to Participate has been duly executed and delivered by such Eligible Subsidiary, and this Agreement constitutes a legal, valid and binding obligation of such Eligible Subsidiary enforceable against such Eligible Subsidiary in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

Section 10.04. Taxes. Except as disclosed in such Election to Participate, there is no income, stamp or other tax of any country, or any taxing authority thereof or therein, imposed by or in the nature of withholding or otherwise, which is imposed on any payment to be made by such Eligible Subsidiary pursuant hereto, or is imposed on or by virtue of the execution, delivery or enforcement of its Election to Participate.

ARTICLE 11
Guaranty

Section 11.01. The Guaranty. The Company hereby unconditionally and absolutely guarantees the full and punctual payment (whether at stated maturity, upon acceleration or otherwise) of the principal of and interest on each Loan made to each other Borrower pursuant to this Agreement, and the full and punctual payment of all other amounts payable by each other Borrower under this Agreement. Upon failure by any other Borrower to pay punctually any such amount, the Company agrees that it shall forthwith on demand pay the amount not so paid at the place and in the manner specified in this Agreement.

Section 11.02. Guaranty Unconditional. The obligations of the Company hereunder shall be unconditional, irrevocable and absolute and, without limiting the generality of the foregoing, shall not be released, discharged or otherwise affected by:

- (a) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of any Borrower or any other Person under any Loan Document or by operation of law or otherwise (except to the extent the foregoing expressly releases the Company's obligations under this Article 11);
- (b) any modification or amendment of or supplement to any Loan Document (other than any modification, amendment or supplement of this Article 11 effected in accordance with Section 12.02);
- (c) any release, impairment, non-perfection or invalidity of any direct or indirect security for any obligation of any Borrower or any other Person under any Loan Document;
- (d) any change in the corporate existence, structure or ownership of any Borrower or any other Person or any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Borrower or any other Person or its assets or any resulting release or discharge of any obligation of any Borrower or any other Person contained in any Loan Document;
- (e) the existence of any claim, set-off or other rights which the Company may have at any time against any other Borrower, the Administrative Agent, any Lender or any other Person, whether in connection herewith or with any unrelated transactions; *provided* that nothing herein shall prevent the assertion of any such claim by separate suit or compulsory counterclaim;
- (f) any invalidity or unenforceability relating to or against any Borrower or any other Person for any reason of any Loan Document, or any provision of applicable law or regulation purporting to prohibit the payment by any Borrower of the principal of or interest on any Loan or any other amount payable by it under any Loan Document; or
- (g) any other act or omission to act or delay of any kind by any Borrower, the Administrative Agent, any Lender or any other Person or any other circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to the Company's obligations hereunder (in each case other than payment in full of the obligations guaranteed hereunder).

Section 11.03. Discharge Only Upon Payment in Full; Reinstatement in Certain Circumstances. Each of the Company's obligations hereunder shall remain in full force and effect until the Commitments shall have terminated and the principal of and interest on the Loans and all other amounts payable hereunder by the Company and each other Borrower under this Agreement shall have been paid in full in cash (or backed by a standby letter of credit or cash collateralized, in each case in amounts and on terms satisfactory to the Administrative Agent). If at any time any payment of the principal of or interest on any Loan or any other amount payable by any other Borrower under this Agreement is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy or reorganization of such Borrower or otherwise, the Company's obligations hereunder with respect to such payment shall be reinstated at such time as though such payment had been due but not made at such time.

Section 11.04. Waiver by the Company. The Company irrevocably waives acceptance of its guaranty under this Article 11, presentment, demand (except as provided in Section 11.01), protest and any notice not provided for herein, as well as, solely for purposes of Article 11 any requirement that at any time any action be taken by any Person against any Borrower or any other Person. The Company's guaranty hereunder is a guaranty of payment and not merely of collection.

Section 11.05. Subrogation. Upon making any payment with respect to any Borrower hereunder, the Company shall be subrogated to the rights of the payee against such Borrower with respect to such payment; provided that the Company shall not enforce any payment by way of subrogation unless all amounts of principal of and interest on the Loans to such Borrower and all other amounts payable by such Borrower under this Agreement have been paid in full in cash.

Section 11.06. Stay of Acceleration. If acceleration of the time for payment of any amount payable by any Borrower under this Agreement is stayed upon insolvency, bankruptcy or reorganization of such Borrower, all such amounts otherwise subject to acceleration under the terms of this Agreement shall nonetheless be payable by the Company hereunder forthwith on demand by the Administrative Agent made at the request of the Required Lenders.

Section 11.07. Continuing Guaranty. The Company's guaranty hereunder is a continuing guaranty, shall be binding on the Company and its successors and assigns, and shall be enforceable by the Lenders. If all or part of any Lender's interest in any obligation guaranteed by the Company is assigned or otherwise transferred, the transferor's rights under the Company's guaranty, to the extent applicable to the obligation so transferred, shall automatically be transferred with such obligation.

(c) Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt if received during the recipient's normal business hours.

Section 12.02. Waivers; Amendments. (a) No failure or delay by the Administrative Agent or any Lender in exercising any right or power under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders under the Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent or any Lender may have had notice or knowledge of such Default at the time.

(b) No Loan Document nor any provision thereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Company and the Required Lenders; *provided* that no such agreement shall:

(i) (A) increase the Commitment of any Lender without the written consent of such Lender, (B) reduce the principal amount of any Loan or reduce the rate of interest thereon (other than with respect to the incremental 2% included in the determination of the applicable interest rate under Section 2.12(d)), or reduce any fees payable hereunder, without the written consent of each Lender directly and adversely affected thereby, (C) postpone the scheduled date of payment of the principal amount of any Loan, or any interest thereon, or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly and adversely affected thereby, (D) change Section 2.18(b) or Section 2.18(c) in a manner that would alter the pro rata sharing of payments required thereby, or change any provision requiring that funding of amounts by the Lenders be on a ratable basis, without the written consent of each Lender directly and adversely affected thereby, (E) change any of the provisions of this Section or the definition of "Required Lenders" or any other provision of any Loan Document specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender, (F) release the Company from its guaranty under Article 11 hereof, or limit its liability in respect of such guaranty, without the written consent of each Lender, or (G) change any of the provisions of Section 2.23 without the consent of the Administrative Agent and the Swingline Lenders; *provided* that no consent of any Defaulting Lender shall be required pursuant to clause (D) or (E) above as to any modification that does not adversely affect such Defaulting Lender in a non-ratable manner;

(ii) amend, modify or otherwise affect the rights or duties of the Administrative Agent or any Swingline Lender under any Loan Document without the prior written consent of the Administrative Agent or such Swingline Lender, as the case may be; or

(iii) (A) subject any Subsidiary Borrower to any additional obligation without the written consent of such Borrower, (B) increase the principal of or rate of interest on any outstanding Loan of any Subsidiary Borrower without the written consent of such Borrower, (C) accelerate the stated maturity of any outstanding Loan of any Subsidiary Borrower without the written consent of such Borrower or (D) change this *proviso* (iii) without the prior written consent of each Subsidiary Borrower.

(c) Notwithstanding any provision herein to the contrary, as to any amendment, amendment and restatement or other modifications otherwise approved in accordance with this Section, it shall not be necessary to obtain the consent or approval of any Lender that, upon giving effect to such amendment, amendment and restatement or other modification, would have no Commitment or outstanding Loans so long as such Lender receives payment in full of the principal of and interest accrued on each Loan made by, and all other amounts owing to, such Lender or accrued for the account of such Lender under this Agreement and the other Loan Documents at the time such amendment, amendment and restatement or other modification becomes effective. For the avoidance of doubt, and notwithstanding any provision in this Agreement to the contrary, it shall not be necessary to obtain the consent or approval of any Lender to effectuate, pursuant to Section 2.09(a), the conversion of any Revolving Loans into Term Loans and therewith extend the Maturity Date for such Term Loans to the first anniversary of the Commitment Termination Date.

(d) Notwithstanding any provisions herein to the contrary, if the Administrative Agent and the Company acting together identify any ambiguity, omission, mistake, typographical error or other defect in any provision of this Agreement or any other Loan Document, then the Administrative Agent and the Company shall be permitted to amend, modify or supplement such provision to cure such ambiguity, omission, mistake, typographical error or other defect, and such amendment shall become effective without any further action or consent of any other party to this Agreement, so long as, in each case, the Lenders shall have received at least ten Domestic Business Days' prior written notice thereof and the Administrative Agent shall not have received, within ten Domestic Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment.

Section 12.03. Expenses; Indemnity; Damage Waiver. (a) The Company shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, and its Affiliates, including the reasonable fees, charges and disbursements of one counsel for the Administrative Agent, in connection with the syndication of the credit facilities provided for herein, the preparation and administration of the Loan Documents or any amendments, modifications or waivers of the provisions thereof, including, for the avoidance of doubt, any documentation in connection with the Company's election to effectuate the Term Loan Election (whether or not the transactions contemplated hereby or thereby shall be consummated) and (ii) all out-of-pocket expenses incurred by the Administrative Agent or any Lender, including the fees, charges and disbursements of any counsel for the Administrative Agent or any Lender, in connection with the enforcement or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans.

(b) The Company shall indemnify the Administrative Agent, each Lender and each Related Party of any of the foregoing Persons (each such Person being called an "**Indemnitee**") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the reasonable fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of any actual or prospective claim, litigation, investigation or proceeding, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto, relating to (i) the execution or delivery of the Loan Documents or any agreement or instrument contemplated thereby, the performance by the parties thereto of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated thereby, (ii) any Loan or the use of the proceeds therefrom or (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by the Company or any of its Subsidiaries, or any Environmental Liability related in any way to the Company or any of its Subsidiaries; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from (i) the gross negligence or willful misconduct of such Indemnitee or any of its Affiliates or representatives, (ii) from the material breach in bad faith by such Indemnitee of its express obligations under the Loan Documents or (iii) a dispute solely among Indemnitees (other than a dispute involving a claim against an Indemnitee in its capacity as an arranger or agent in respect of the Agreement, and in any such event described in this clause (iii) solely to the extent that the underlying dispute does not arise as a result of any action, inaction, representation or misrepresentation of, or information provided, or that was failed to be provided, by or on behalf of, the Company or any of its Subsidiaries).

(c) To the extent that the Company fails to pay any amount required to be paid by it to the Administrative Agent or any Swingline Lender under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent or such Swingline Lender, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or such Swingline Lender in its capacity as such.

(d) To the extent permitted by applicable law, each Credit Party shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, the Loan Documents or any agreement or instrument contemplated thereby, the Transactions, any Loan or the use of the proceeds thereof.

(e) All amounts due under this Section shall be payable promptly after written demand therefor.

Section 12.04. Successors and Assigns. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) no Credit Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by any Credit Party without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement. The parties hereby agree that Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPFS") may, without notice to the Company or any other Credit Party, assign its rights and obligations under this Agreement to any other registered broker-dealer organized in the United States that is wholly-owned by Bank of America Corporation to which (i) all or substantially all of Bank of America Corporation's or any of its subsidiaries' investment banking, commercial lending services or related businesses may be transferred following the date of this Agreement and (ii) MLPFS assigns its rights and obligations as an arranger under syndicated credit facilities generally.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Company; *provided* that (x) no consent of the Company shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund (as defined below) (it being understood that the Company shall nevertheless receive prompt notice of any such assignment to a Lender, an Affiliate of a Lender or an Approved Fund) or, if an Event of Default under paragraph (b), (c), (g) or (h) of Article 8 has occurred and is continuing, any other assignee and (y) the Company shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within ten Euro-Currency Business Days after receipt of written notice thereof; and

(B) the Administrative Agent and each Swingline Lender; *provided* that no consent of the Administrative Agent or any Swingline Lender, shall be required for an assignment to an assignee that is a Lender or an Affiliate of a Lender immediately prior to giving effect to such assignment.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment, the amount of the Commitment of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 unless each of the Company and the Administrative Agent otherwise consent; *provided* that no such consent of the Company shall be required if an Event of Default under paragraph (b), (c), (g) or (h) of Article 8 has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500;

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire;

(E) in the case of an assignment to a CLO (as defined below), the assigning Lender shall retain the sole right to approve any amendment, modification or waiver of any provision of this Agreement, *provided* that the Assignment and Assumption between such Lender and such CLO may provide that such Lender will not, without the consent of such CLO, agree to any amendment, modification or waiver described in paragraph (i) of the first proviso to Section 12.02(b) that affects such CLO; and

(F) no assignment, whether in whole or in part (including participations), may be made to (i) the Borrower or any of its Affiliates or subsidiaries, (ii) any Defaulting Lender or any Person who, upon becoming a Lender, would constitute a Defaulting Lender, (iii) a natural Person (or holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person) or (iv) Disqualified Institution without the prior written consent of the Borrower.

For the purposes of this Section 12.04(b), the terms “**Approved Fund**”, “**CLO**” and “**Disqualified Institution**” have the following meanings:

“**Approved Fund**” means (a) a CLO and (b) with respect to any Lender that is a fund which invests in bank loans and similar extensions of credit, any other fund that invests in bank loans and similar extensions of credit and is managed by the same investment advisor as such Lender or by an Affiliate of such investment advisor.

“**CLO**” means any entity (whether a corporation, partnership, trust or otherwise) that is engaged in making, purchasing, holding or otherwise investing in bank loans and similar extensions of credit in the ordinary course of its business and is administered or managed by a Lender or an Affiliate of such Lender.

“**Disqualified Institution**” means Persons (or Affiliates of Persons) that are reasonably determined by the Company to be competitors of the Company or its Subsidiaries and which have been specifically identified by name by the Company to the Administrative Agent and the Lenders in writing prior to the Effective Date; *provided* that, the Company, by notice to the Administrative Agent and the Lenders after the Effective Date, shall be permitted to supplement or modify the list of Disqualified Institutions from time to time in writing, identifying by name additional such competitors (or Affiliates thereof) that shall be Disqualified Institutions and each such supplement shall become effective five (5) Domestic Business Days after the Administrative Agent has posted such supplement to all Lenders (including through electronic communications), but which shall not apply retroactively to disqualify any Persons that have previously acquired an assignment or participation interest in the Loans (but solely with respect to such Loans). It is understood and agreed that the Administrative Agent shall have no responsibility, liability or duty, to ascertain, inquire, monitor or enforce whether any Lender or potential Lender is a Disqualified Institution.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender’s rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.14, 2.15, 2.16, 2.17 and 12.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 12.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the “**Register**”). The entries in the Register shall be conclusive absent manifest error, and each Borrower, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Company and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee’s completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) (i) Any Lender may, without the consent of any Borrower, the Administrative Agent or any Swingline Lender, sell participations to one or more banks or other entities (a “**Participant**”) in all or a portion of such Lender’s rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); *provided that* (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (C) each Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement and (D) in the case of any sale of a participation to a Disqualified Institution, the Borrower shall have provided its prior written consent thereto. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided that* such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in paragraph (i) of the first proviso to Section 12.02(b) that affects such Participant. Subject to paragraph (c)(ii) of this Section, each Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.14, 2.15, 2.16 and Section 2.17 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.08 as though it were a Lender, *provided* such Participant agrees to be subject to Section 2.18(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of each Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Loans or other obligations under this Agreement (the “**Participant Register**”); *provided that* no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant’s interest in any commitments, loans, letters of credit or its other obligations under this Agreement) except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations or, if different, under Sections 871(h) or 881(c) of the Code. The entries in the Participant Register shall be conclusive absent clearly demonstrable error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.14, 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant shall not be entitled to the benefits of Section 2.16 unless the Participant complies with the obligations of (e), (f), (g), (h) and (i) of Section 2.16, as applicable, as if it were a Lender (it being understood that the documentation required shall be delivered to the participating Lender and, if required by law for reduced withholding, copies shall be delivered to the Company and the Administrative Agent).

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank having jurisdiction over such Lender, and this Section shall not apply to any such pledge or assignment of a security interest; *provided* that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption Agreement shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(f) Notwithstanding anything to the contrary in this Section 12.04, or elsewhere in this Agreement, the consent of the Company shall be required (such consent not to be unreasonably withheld or delayed) for an assignment to an assignee that is an EEA Financial Institution unless an Event of Default under paragraph (b), (c), (g) or (h) of Article 8 has occurred and is continuing at the time of such assignment.

Section 12.05. Survival. All covenants, agreements, representations and warranties made by the Company and any other Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid (other than those backed by a standby letter of credit or cash collateralized, in each case in amounts and on terms satisfactory to the Administrative Agent) and so long as the Commitments have not expired or terminated. The provisions of Sections 2.14, 2.15, 2.16, 2.17 and 12.03 and Article 9 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof.

Section 12.06. Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or e-mail shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 12.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 12.08. Right of Set-off. If an Event of Default shall have occurred and be continuing and the maturity of the Loans has been accelerated under Article 8, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set-off and apply any and all deposits (general or special, time or demand, provisional or final, but excluding deposits held in a trustee, fiduciary, agency or similar capacity or otherwise for the benefit of a third party) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of any Credit Party against any of and all the obligations of such Credit Party now or hereafter existing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of set-off) which such Lender may have.

Section 12.09. Governing Law; Jurisdiction; Consent to Service of Process. (a) This Agreement shall be construed in accordance with and governed by the internal law of the State of New York.

(b) Each Credit Party hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment arising out of or relating to any Loan Document, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in any Loan Document shall affect any right that the Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to any Loan Document against any Credit Party or its properties in the courts of any jurisdiction.

(c) Each Credit Party hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to any Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 12.01; *provided* that each Subsidiary Borrower irrevocably appoints the Company as agent of process and consents to service of process to the Company in the manner provided for notices in Section 12.01. Nothing in any Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

Section 12.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 12.11. Judgment Currency. If, under any applicable law and whether pursuant to a judgment being made or registered against any Borrower or for any other reason, any payment under or in connection with any Loan Document is made or satisfied in a currency (the “**Other Currency**”) other than that in which the relevant payment is due (the “**Required Currency**”) then, to the extent that the payment (when converted into the Required Currency at the rate of exchange on the date of payment or, if it is not practicable for the party entitled thereto (the “**Payee**”) to purchase the Required Currency with the Other Currency on the date of payment, at the rate of exchange as soon thereafter as it is practicable for it to do so) actually received by the Payee falls short of the amount due under the terms of any Loan Document, such Borrower shall, to the extent permitted by law, as a separate and independent obligation, indemnify and hold harmless the Payee against the amount of such short-fall. For the purpose of this Section, “**rate of exchange**” means the rate at which the Payee is able on the relevant date to purchase the Required Currency with the Other Currency and shall take into account any premium and other costs of exchange.

Section 12.12. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 12.13. Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates’ directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and will agree to keep such Information confidential), (b) to the extent requested by any central bank or the Federal Reserve or by any regulatory authority having jurisdiction over it or in connection with any pledge or assignment permitted under Section 12.04(d), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to any Loan Document or the enforcement of rights hereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to a Borrower and its obligations under this Agreement, (g) with the prior written consent of the Company, (h) to the extent requested by ratings agencies or (i) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent or any Lender on a nonconfidential basis from a source other than the Company. For the purposes of this Section, “**Information**” means all information received from or on behalf of the Company or any of its Affiliates relating to the Company or its business or any of its Affiliates or their respective businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Company. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Section 12.14. USA Patriot Act Notification. Each Lender subject to the Act (as defined below) hereby notifies the Borrowers that, pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Act”), it is required to obtain, verify and record information that identifies the Borrowers, which information includes the name and address of the Borrowers and other information that will allow such Lender to identify the Borrowers in accordance with the Act. The Borrowers agree to cooperate with each Lender and provide true, accurate and complete information to such Lender in response to any such request.

Section 12.15. No Fiduciary Duty. (a) Each Agent, each Lender and their Affiliates (collectively, for purposes of this Section 12.15, the “Lender Parties”), may have economic interests that conflict with those of the Borrowers. Each Borrower agrees that, except as expressly provided otherwise in Section 12.04(b)(iv), nothing in the Loan Documents will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between the Lender Parties and the Borrowers, its stockholders or its affiliates in connection with the transactions contemplated hereby. The Borrowers acknowledge and agree that (i) the transactions contemplated by the Loan Documents are arm’s-length commercial transactions between the Lender Parties, on the one hand, and the Borrowers, on the other, (ii) in connection therewith and with the process leading to such transactions contemplated by the Loan Documents each of the Lender Parties is acting solely as a principal and not the fiduciary of each of the Borrower, its management, stockholders, creditors or any other person, (iii) no Lender Party has assumed an advisory or fiduciary responsibility in favor of any Borrower with respect to the transactions contemplated hereby or the process leading thereto (irrespective of whether any Lender Party or any of its affiliates has advised or is currently advising any Borrower on other matters) and (iv) each Borrower has consulted its own legal and financial advisors to the extent it deemed appropriate. Each Borrower further acknowledges and agrees that it is responsible for making its own independent judgment with respect to the transactions contemplated hereby and the process leading thereto. Each Borrower agrees that it will not claim that any Lender Party has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Borrower, in connection with the transactions contemplated hereby or the process leading thereto.

(b) The Credit Parties further acknowledge and agree, and acknowledges its subsidiaries’ understanding, that each Lender Party and each agent, joint bookrunner and joint lead arranger in respect of this Agreement is a full service securities or banking firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, any Lender Party, agent, joint bookrunner or joint lead arranger in respect of this Agreement may provide investment banking and other financial services to, and/or acquire, hold or sell, for its own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of, any Credit Party and other companies with which any Credit Party may have commercial or other relationships. With respect to any securities and/or financial instruments so held by any Lender Party or any such agent, joint bookrunner or joint lead arranger or any of its customers, all rights in respect of such securities and financial instruments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion.

(c) In addition, the Credit Parties acknowledge and agree, and acknowledge their subsidiaries' understanding, that each Lender Party and its Affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which any Credit Party may have conflicting interests regarding the transactions described herein and otherwise. No Lender Party nor its Affiliates will use confidential information obtained from any Credit Party, its Affiliates and/or its representatives by virtue of the Transactions contemplated by the Loan Documents or their other relationships with any Credit Party in connection with the performance by such Lender Party or its Affiliates of services for other companies, and no Lender Party nor its Affiliates will furnish any such information to other companies. The Credit Parties also acknowledge that no Lender Party has any obligation to use in connection with the Transactions contemplated by the Loan Documents, or to furnish to any Credit Party, confidential information obtained from other companies.

Section 12.16. Acknowledgement and Consent to Bail-in of EEA Financial Institutions Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

To the extent not prohibited by applicable law, rule or regulation, each Lender shall notify the Company and the Administrative Agent if it has become the subject of a Bail-In Action (or any case or other proceeding in which a Bail-In Action could reasonably be expected to be asserted against such Lender).

Re: Cummins Inc. External Counsel Legal Opinion Regarding the 364-Day Credit Agreement

Ladies and Gentlemen:

We have acted as special New York counsel to Cummins Inc., an Indiana corporation (the "Company"), its subsidiaries, Cummins Ltd., Cummins Power Generation Ltd., Cummins Generator Technologies Limited, CMI Global Equity Holdings C.V., Cummins Global Financing LP, Cummins EMEA Holdings Limited, Cummins International Holdings Cooperatief U.A., CIFIC Worldwide Partner C.V., Power Group International (Overseas Holdings) Limited, CMI UK Financing LP, CMI UK Finance LP, CMI Africa Holdings B.V., and CMI Global Equity Holdings B.V. (collectively, the "Original Subsidiary Borrowers"; the Original Subsidiary Borrowers, together with the Company, the "Opinion Parties", and individually, an "Opinion Party"), in connection with, and give this opinion pursuant to, Section 4.01(b) of the 364-Day Credit Agreement (the "Credit Agreement") dated as of the date hereof among the Opinion Parties, the Eligible Subsidiaries referred to therein, the Lenders and Agents party thereto and JPMorgan Chase Bank, N.A., as Administrative Agent (in such capacity, the "Administrative Agent") and Swingline Lender and each promissory note (collectively, the "Notes"), if any, dated as of the date hereof made by an Opinion Party and payable to the order of a Lender. Except as otherwise indicated herein, capitalized definitional terms in this opinion have the meanings set forth in the Credit Agreement. The Credit Agreement and the Notes are referred to herein as the "Loan Documents."

In connection with this opinion, we have examined originals, or copies certified or otherwise identified to our satisfaction, of such documents, corporate records, certificates and other instruments as we have deemed necessary or appropriate for purposes of this opinion, including the Credit Agreement and the Notes.

We note that various issues concerning certain corporate matters regarding the Company are addressed in the opinion dated the date hereof of Sharon R. Barner, counsel to the Company, and various issues concerning the Original Subsidiary Borrowers under England and Wales law and Netherlands law are addressed in the opinions dated the date hereof of Joseph Rigler, counsel to the Original Subsidiary Borrowers, in each case separately provided to you, and we express no opinion with respect to those matters (and we have, with your permission, relied in this opinion on such opinions of Sharon R. Barner and Joseph Rigler as to such matters without independent verification of the substance of such opinions).

In rendering this opinion, we have, with your permission, and without investigation, verification or inquiry, (i) relied as to all factual matters on the representations, warranties and certifications of the parties set forth in the Loan Documents and each of the certificates delivered pursuant thereto and (ii) assumed that:

- (a) Each of the parties to the Loan Documents is duly organized and validly existing under the laws of its jurisdiction of organization;
- (b) Each of the parties to the Loan Documents has the necessary right, power, and authority to execute and deliver, and perform its obligations under, the Loan Documents; the transactions therein contemplated have been duly authorized by all parties thereto; the Loan Documents have been duly executed, delivered, and accepted by all parties thereto; and the Loan Documents constitute the legal, valid, and binding obligation of all parties thereto, other than the Opinion Parties;
- (c) There is no oral or written agreement, understanding, course of dealing, or usage of trade that affects the rights and obligations of the parties set forth in the Loan Documents or that would have an effect on the opinions expressed herein; there are no judgments, decrees, or orders that impair or limit the ability of any Opinion Party to enter into, execute, and deliver and perform, observe, and be bound by the Loan Documents and the transactions contemplated therein; all material terms and conditions of the relevant transactions are correctly and completely reflected in the Loan Documents and there has been no waiver of any of the provisions of the Loan Documents by conduct of the parties or otherwise;
- (d) All natural persons who are signatories to the Loan Documents or the other documents reviewed by us were legally competent at the time of execution; all signatures on the Loan Documents and the other documents reviewed by us are genuine; and the copies of all documents submitted to us are accurate and complete, each such document that is original is authentic, and each such document that is a copy conforms to an authentic original;
- (e) The execution and delivery of, and performance by each Opinion Party of its obligations under, the Loan Documents do not: (i) constitute a breach or violation of the organizational documents of such Opinion Party; (ii) result in a violation of any applicable law, statute, or regulation; (iii) result in a violation of any judgment, order, writ, injunction, decree, determination or award; or (iv) constitute an event of default under or result in a breach or violation of any agreement or other instrument (a) which affects or purports to affect the Opinion Parties' rights to borrow money, or (b) violation of which could have a material adverse effect on the property, financial condition, or business operations of any Opinion Party; and

- (f) No authorization, consent, approval, or other action by, and no notice to or filing with, any governmental authority or regulatory body is required to be obtained or made by any Opinion Party for the due execution and delivery of, or performance of their respective payment obligations under, the Loan Documents except (i) such as have been duly obtained or made and are in full force and effect, and (ii) those that may be required under federal securities laws and regulations.

Based upon the foregoing, but subject to the assumptions, qualifications, and limitations set forth herein, we are of the opinion that:

2. The Loan Documents to which each Opinion Party is a party are the valid and binding obligations of such Opinion Party enforceable against it in accordance with their terms.

* * *

The foregoing opinions are subject to the following additional assumptions and qualifications:

A. Our opinion is limited by:

(i) Applicable bankruptcy, receivership, reorganization, insolvency, moratorium, fraudulent conveyance or transfer, preference and other similar laws and judicially developed doctrines relating to or affecting creditors' or secured creditors' rights and remedies generally;

(ii) General principles of equity, regardless of whether such principles are considered in a proceeding in equity or at law, and limitations on the availability of specific performance, injunctive relief, and other equitable remedies; principles which limit the availability of a remedy under certain circumstances where another remedy has been elected; principles requiring reasonableness, good faith and fair dealing in the performance and enforcement of an agreement by the party seeking enforcement; principles which may permit a party to cure a material failure to perform its obligations; and principles affording equitable defenses such as waiver, laches and estoppel;

(iii) The possibility that certain rights, remedies, waivers, and other provisions of the Loan Documents may not be enforceable; nevertheless, such unenforceability will not render the Credit Agreement invalid as a whole or preclude (a) judicial enforcement of the obligations of the Opinion Parties to repay the principal, together with interest thereon (to the extent not deemed a penalty), as provided in the Credit Agreement or (b) acceleration of the obligations of the Opinion Parties to repay such principal, together with such interest, upon a material default in a material provision of the Credit Agreement; and

(iv) Rights to indemnification which may be limited by applicable law or equitable principles or otherwise unenforceable as against public policy.

B. We express no opinion herein as to any provision in the Loan Documents: (i) that relates to the subject matter jurisdiction of any federal court of the United States of America, or any federal appellate court, to adjudicate any controversy related to the Loan Documents, (ii) that contains a waiver of an inconvenient forum, (iii) that relates to a right of set-off in respect of purchases of interests in Loans or with respect to parties that may not hold mutual debts, (iv) that provides for liquidated damages or (v) that relates to the waiver of rights to jury trial.

C. We have made no examination of, and express no opinion as to, whether or not any Opinion Party is in compliance with any representations or warranties, affirmative or negative covenants or other obligations contained in the Loan Documents.

D. We understand that you are satisfying yourselves as to the status under Section 548 of the United States Bankruptcy Code and applicable state fraudulent conveyance laws of the obligations of the Opinion Parties under the Loan Documents and we express no opinion thereon.

E. We express no opinion as to the effect on the opinions expressed herein of (i) the compliance or non-compliance of any party to the Loan Documents (other than the Opinion Parties to the extent set forth herein) with any state, federal or other laws or regulations applicable to it or (ii) the legal or regulatory status or the nature of the business of any party (other than the Opinion Parties to the extent expressly set forth herein).

F. We express no opinion herein as to: (i) securities or blue sky laws or regulations; (ii) antitrust or unfair competition laws or regulations; (iii) zoning, land use, or subdivision laws or regulations; (iv) labor, ERISA, or other employee benefit laws or regulations; (v) tax, environmental, racketeering, or health and safety laws or regulations; or (vi) local laws, regulations, or ordinances.

G. We express no opinion as to whether a federal or state court outside the State of New York will give effect to the New York choice of law provisions in the Loan Documents.

H. We express no opinion as to the Opinion Parties' acknowledgment and consent to, and agreement to be bound by, the application of Write-Down and Conversion Powers by an EEA Resolution Authority or the effects of any Bail-in Action with respect to an EEA Financial Institution.

The opinions expressed herein are limited to the federal laws of the United States and the laws of the State of New York in effect on the date hereof as they presently apply, and we express no opinion herein as to the laws of any other jurisdiction. These opinions are given as of the date hereof, they are intended to apply only to those facts and circumstances that exist as of the date hereof, and we assume no obligation or responsibility to update or supplement these opinions to reflect any facts or circumstances that may hereafter come to our attention or any changes in laws that may hereafter occur, or to inform the addressees or any other party of any change in circumstances occurring after the date hereof that would alter the opinions rendered herein.

This opinion is limited to the matters set forth herein, and no opinion may be inferred or implied beyond the matters expressly contained herein. Except as expressly set forth herein, this opinion is being provided solely for the purpose of complying with the requirements of Section 4.01(b) of the Credit Agreement and is being rendered solely for the benefit of the addressees hereof. This opinion may not be used or relied upon for any other purpose, relied upon by any other party, or filed with or disclosed to any governmental authority other than a court in connection with the enforcement or protection of the rights or remedies of any Lender under the Credit Agreement or to a banking examiner or regulator in connection with an examination of any Lender by such governmental authority, without our prior written consent. Notwithstanding the foregoing, this opinion may be disclosed to but not relied upon by any Affiliate of a Lender and this opinion may also be disclosed to and relied upon by (i) any assignee of any Lender pursuant to the terms of the Credit Agreement and (ii) any participant in all or a portion of a Lender's rights and/or obligations under the Credit Agreement; in each case on the condition that such reliance must be reasonable under the circumstances existing at the time of reliance, including any changes in fact or law, or any other developments known or reasonably knowable at such time.

Very truly yours,

Re: Cummins Inc. Internal Counsel Legal Opinion Regarding the 364-Day Credit Agreement

Ladies and Gentlemen:

Reference is made to the 364-Day Credit Agreement dated as of the date hereof (the “Credit Agreement”), among Cummins Inc., an Indiana corporation (the “Company”), its subsidiaries, Cummins Ltd., Cummins Power Generation Ltd., Cummins Generator Technologies Limited, CMI Global Equity Holdings C.V., Cummins Global Financing LP, Cummins EMEA Holdings Limited, Cummins International Holdings Cooperatief U.A., CIFIC Worldwide Partner C.V., Power Group International (Overseas Holdings) Limited, CMI UK Financing LP, CMI UK Finance LP, CMI Africa Holdings B.V., and CMI Global Equity Holdings B.V. (collectively, the “Original Subsidiary Borrowers” and, together with the Company, the “Credit Parties”), the Eligible Subsidiaries referred to therein, the Lenders and Agents party thereto and JPMorgan Chase Bank, N.A., as Administrative Agent (in such capacity, the “Administrative Agent”) and Swingline Lender. This opinion is being delivered to you pursuant to Section 4.01(b) of the Credit Agreement. The opinions expressed herein are as of the date hereof and limited to the laws of the State of Indiana and the federal laws of the United States. Capitalized, definitional terms used but not defined herein have the meanings assigned to them in the Credit Agreement.

I note that various issues concerning certain enforceability matters under New York law are addressed in the opinion dated the date hereof of Foley & Lardner LLP, counsel to the Credit Parties, and various issues concerning the Original Subsidiary Borrowers under England and Wales law and Netherlands law are addressed in the opinions dated the date hereof of Joseph Rigler, counsel to the Original Subsidiary Borrowers, in each case separately provided to you. I express no opinion with respect to those matters, and I have, with your permission, relied in this opinion on such opinions of Foley & Lardner LLP and Joseph Rigler as to such matters without independent verification of the substance of such opinions.

As Vice President and General Counsel of the Company, I advise you that, in my opinion:

B-2-1

1. The Company is a corporation duly organized, validly existing and in good standing under the laws of Indiana; the Company is duly qualified as a foreign corporation and in good standing in every other jurisdiction where such qualification is required, except where the failure so to qualify could not reasonably be expected to result in a material adverse effect on (a) the business, assets, operations or financial condition of the Company and its Subsidiaries taken as a whole, (b) the ability of the Company to perform any of its material obligations under the Loan Documents or (c) the validity or enforceability of, or the rights of or remedies available to the Lenders under, the Loan Documents (a “Material Adverse Effect”).

2. The Company has all requisite power and authority to own its property and assets and to carry on its business as now conducted and as proposed to be conducted, except where the failure to have such power and authority could not reasonably be expected to result in a Material Adverse Effect; the Company has the power and authority to execute, deliver and perform its obligations under the Loan Documents and each other agreement or instrument contemplated thereby to which it is or will be a party, and to make the contemplated borrowings thereunder; and the Company has duly executed and delivered the Credit Agreement.

3. The Transactions (a) have been duly authorized by all requisite corporate action (including any stockholder action, if required) on the part of the Company and (b) will not (i) materially violate any provision of law, statute, rule or regulation applicable to the Company, (ii) to the best of my knowledge, materially violate any order of any Governmental Authority having applicability to the Company, (iii) materially violate any provision of the Restated Articles of Incorporation or By-laws of the Company, (iv) to the best of my knowledge, constitute a material default under any material indenture or loan or credit agreement, or any other material agreement or instrument, to which the Company is a party or by which its properties may be bound or (v) result in the creation or imposition of any Lien upon any property or assets of the Company (except as may be required under any Loan Document). The Company is not in material default under or in material violation of its Restated Articles of Incorporation or its By-laws or any such law, rule, regulation, order, writ, judgment, decree, determination, award, or material agreement pertaining to borrowed money or similar instrument.

The opinion expressed in paragraph 3 above does not extend to compliance by the Company with any financial covenants or ratios or similar provisions requiring financial calculations, or any restriction or limitation expressed as an amount or percentage, or determinations to ascertain whether there is any breach of or default under any such provisions, or restricted payments test contained in any indenture or loan or credit agreement, or other material agreement or instrument, to which the Company is party or by which its properties may be bound.

4. No action, consent or approval of, registration or filing with or other action by any Governmental Authority, including, without limitation, the Securities and Exchange Commission (other than (a) routine disclosure or informational filings and (b) such as have been duly obtained or made and are in full force and effect), is or will be required in connection with the execution, delivery and performance by the Company of the Loan Documents or the contemplated borrowings thereunder.

5. There are no actions, suits, proceedings or governmental investigations at law or in equity or by or before any Governmental Authority pending or, to the best of my knowledge, threatened in writing against the Company or any of its assets (a) which involve the Loan Documents or the Transactions or (b) as to which there is a reasonable possibility of an adverse determination which could, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

6. None of the Credit Parties is (a) an “investment company” as defined in, or subject to regulation under, the Investment Company Act of 1940, as amended or (b) subject to any other applicable regulatory scheme which restricts its ability to incur the indebtedness to be incurred under the Loan Documents.

7. The making of the Loans under the Credit Agreement and the use of the proceeds thereof as contemplated by the Credit Agreement will not violate or be inconsistent with any of the provisions of Regulation U or Regulation X of the Board.

* * *

The foregoing opinions are subject to the following additional assumptions and qualifications:

A. With respect to my opinions in paragraphs 3 and 4, I express no opinion as to compliance by the Company with federal or state laws, statutes, and regulations generally applicable to the conduct of its business or as to consents, approvals, or other actions by federal or state regulatory authorities generally required for the conduct of its business.

B. I express no opinion as to the effect on the opinions expressed herein of (i) the compliance or non-compliance of any party to the Loan Documents (other than the Company to the extent set forth herein) with any state, federal or other laws or regulations applicable to it or (ii) the legal or regulatory status or the nature of the business of any party (other than the Company to the extent expressly set forth herein).

C. I express no opinion herein as to: (i) securities or blue sky laws or regulations; (ii) antitrust or unfair competition laws or regulations; (iii) zoning, land use, or subdivision laws or regulations; (iv) labor, ERISA, or other employee benefit laws or regulations; (v) tax, environmental, racketeering, or health and safety laws or regulations; or (vi) local laws, regulations, or ordinances.

D. I express no opinion as to the Credit Parties’ acknowledgment and consent to, and agreement to be bound by, the application of Write-Down and Conversion Powers by an EEA Resolution Authority or the effects of any Bail-in Action with respect to an EEA Financial Institution.

[Remainder of page intentionally left blank]

This opinion is limited to the matters set forth herein, and no opinion may be inferred or implied beyond the matters expressly contained herein. Except as expressly set forth herein, this opinion is being provided solely for the purpose of complying with the requirements of Section 4.01(b) of the Credit Agreement and is being rendered solely for the benefit of the addressees hereof. This opinion may not be used or relied upon for any other purpose, relied upon by any other party, or filed with or disclosed to any governmental authority other than a court in connection with the enforcement or protection of the rights or remedies of any Lender under any of the Loan Documents or to a banking examiner or regulator in connection with an examination of any Lender by such governmental authority, without my prior written consent. Notwithstanding the foregoing, this opinion may also be disclosed to and relied upon by (i) Foley & Lardner LLP in connection with their issuance of their opinion referred to above, (ii) any assignee of any Lender pursuant to the terms of the Credit Agreement, and (iii) any participant in all or a portion of a Lender's rights and/or obligations under the Credit Agreement; in each case, with respect to clauses (ii) and (iii), on the condition that such reliance must be reasonable under the circumstances existing at the time of reliance, including any changes in fact or law, or any other developments known or reasonably knowable at such time.

Very truly yours,

Sharon R. Barner

Re: Cummins Ltd., Cummins Power Generation Ltd., Cummins Generator Technologies Limited, Cummins Global Financing LP, Cummins EMEA Holdings Limited, Power Group International (Overseas Holdings) Limited, CMI UK Financing LP and CMI UK Finance LP Internal Counsel Legal Opinion Regarding the 364-Day Credit Agreement

Ladies and Gentlemen:

I am Counsel to Cummins Ltd., Cummins Power Generation Ltd., Cummins Generator Technologies Limited, Cummins EMEA Holdings Limited and Power Group International (Overseas Holdings) Limited, each a company incorporated under the laws of the jurisdiction of England and Wales, and Cummins Global Financing LP, CMI UK Financing LP and CMI UK Finance LP, each a limited partnership organized under the laws of the jurisdiction of England and Wales (the “UK Original Subsidiary Borrowers”), and give this opinion pursuant to Section 4.01(b) of the 364-Day Credit Agreement (the “Credit Agreement”) dated as of the date hereof among Cummins Inc., an Indiana corporation, the UK Original Subsidiary Borrowers, CMI Global Equity Holdings C.V., Cummins International Holdings Cooperatief U.A., CIFC Worldwide Partner C.V., CMI Africa Holdings B.V., and CMI Global Equity Holdings B.V., each a company organized under the laws of the jurisdiction of the Netherlands (the “Netherlands Original Subsidiary Borrowers”), the Eligible Subsidiaries referred to therein, the Lenders and Agents party thereto and JPMorgan Chase Bank, N.A., as Administrative Agent (in such capacity, the “Administrative Agent”) and Swingline Lender. The opinions expressed herein are as of the date hereof and limited to the laws of England and Wales. Except as otherwise indicated herein, capitalized definitional terms in this opinion have the meanings set forth in the Credit Agreement.

I have examined originals or copies, certified or otherwise identified to my satisfaction, of such documents, corporate records, certificates of public officials and other instruments and have conducted such other investigations of fact and law as I have deemed necessary or advisable for purposes of this opinion and I have made inquiries to the extent I believe reasonable. I have relied upon representations made to me by one or more officers, employees or other representatives of the UK Original Subsidiary Borrowers, and nothing has come to my attention leading me to question the accuracy of such information.

I note that various issues concerning certain enforceability matters under New York law are addressed in the opinion dated the date hereof of Foley & Lardner LLP, counsel to Cummins Inc. and the UK Original Subsidiary Borrowers and the Netherlands Original Subsidiary Borrowers, and various issues concerning certain corporate matters regarding Cummins Inc. are addressed in the opinion dated the date hereof of Sharon R. Barner counsel to Cummins Inc., in each case separately provided to you, and I express no opinion with respect to those matters (and I have, with your permission, relied in this opinion on such opinions of Foley & Lardner LLP and Sharon R. Barner as to such matters without independent verification of the substance of such opinions).

Upon the basis of the foregoing, I am of the opinion:

1. THAT each UK Original Subsidiary Borrower:

- (a) is a company or limited partnership, as applicable, duly organized, validly existing and, other than CMI UK Finance LP, in good standing under the laws of the jurisdiction of England and Wales; and
- (b) is a Wholly-Owned Consolidated Subsidiary;

2. THAT each UK Original Subsidiary Borrower has the corporate or limited partnership, as applicable, power to execute and perform the Credit Agreement by authority of its Memorandum and Articles of Association;

3. THAT each UK Original Subsidiary Borrower has duly executed and delivered the Credit Agreement;

4. THAT by virtue of board resolutions passed by the directors or partners, as applicable, of each of the UK Original Subsidiary Borrowers:

- (a) execution by, and delivery of and performance of, its obligations under the Credit Agreement has been duly approved;
- (b) the Credit Agreement shall be construed in accordance with and governed by the law of the State of New York, USA; and
- (c) Cummins Inc. has been validly appointed by each of the UK Original Subsidiary Borrowers for the service and/or enforcement of judgment in respect of the Credit Agreement;

5. THAT execution and delivery of and performance of each of the UK Original Subsidiary Borrowers' obligations under the Credit Agreement would not materially violate any law, statute, regulation or constitutive documents of such UK Original Subsidiary Borrower (including its Memorandum and Articles of Association);

6. THAT execution and delivery of and performance of each of the UK Original Subsidiary Borrowers' obligations under the Credit Agreement would not constitute a material breach of a material contract currently binding upon the UK Original Subsidiary Borrowers;

7. THAT no requirement exists for the Credit Agreement to be registered with, nor sanction or consent obtained from, any regulatory body;

8. AND THAT to the best of my knowledge after due inquiry, no stamp duty, registration tax or similar documentary tax or charge is required to be paid in England and Wales in respect of the execution and delivery and/or enforcement by legal proceedings of the Loan Documents and/or the performance by the UK Original Subsidiary Borrowers of their obligations under the Loan Documents.

* * *

The foregoing opinions are subject to the following additional assumptions and qualifications:

A. With respect to my opinions in paragraphs 5 and 7, I express no opinion as to compliance by each of the UK Original Subsidiary Borrowers with laws, statutes, and regulations generally applicable to the conduct of its business or as to consents, approvals, or other actions by regulatory authorities generally required for the conduct of its business.

B. With respect to my opinion in paragraph 6, I express no opinion as to compliance by the UK Original Subsidiary Borrowers with any financial covenants or ratios or similar provisions requiring financial calculations, or any restriction or limitation expressed as an amount or percentage, or determinations to ascertain whether there is any breach of or default under any such provisions, or restricted payments test contained in any indenture or loan or credit agreement, or other material agreement or instrument, to which any of the UK Original Subsidiary Borrowers is party or by which its properties may be bound.

C. I express no opinion as to the effect on the opinions expressed herein of (i) the compliance or non-compliance of any party to the Loan Documents (other than the UK Original Subsidiary Borrowers to the extent set forth herein) with any laws or regulations applicable to it or (ii) the legal or regulatory status or the nature of the business of any party (other than the UK Original Subsidiary Borrowers to the extent expressly set forth herein).

D. I express no opinion herein as to: (i) securities laws or regulations; (ii) antitrust or unfair competition laws or regulations; (iii) zoning, land use, or subdivision laws or regulations; (iv) labor or other employee benefit laws or regulations; (v) tax, environmental, racketeering, or health and safety laws or regulations; or (vi) local laws, regulations, or ordinances.

E. I express no opinion as to the UK Original Subsidiary Borrowers' acknowledgment and consent to, and agreement to be bound by, the application of Write-Down and Conversion Powers by an EEA Resolution Authority or the effects of any Bail-in Action with respect to an EEA Financial Institution.

This opinion is limited to the matters set forth herein, and no opinion may be inferred or implied beyond the matters expressly contained herein. Except as expressly set forth herein, this opinion is being provided solely for the purpose of complying with the requirements of Section 4.01(b) of the Credit Agreement and is being rendered solely for the benefit of the addressees hereof.

[Remainder of page intentionally left blank]

This opinion may not be used or relied upon for any other purpose, relied upon by any other party, or filed with or disclosed to any governmental authority other than a court in connection with the enforcement or protection of the rights or remedies of any Lender under any of the Loan Documents or to a banking examiner or regulator in connection with an examination of any Lender by such governmental authority, without my prior written consent. Notwithstanding the foregoing, this opinion may also be disclosed to and relied upon by (i) Foley & Lardner LLP in connection with their issuance of their opinion referred to above, (ii) any assignee of any Lender pursuant to the terms of the Credit Agreement and (iii) any participant in all or a portion of a Lender's rights and/or obligations under the Credit Agreement; in each case, with respect to clauses (ii) and (iii), on the condition that such reliance must be reasonable under the circumstances existing at the time of reliance, including any changes in fact or law, or any other developments known or reasonably knowable at such time.

Yours faithfully,

[FORM OF OPINION OF COUNSEL FOR AN ELIGIBLE SUBSIDIARY]

To the Lenders and the Administrative Agent
Referred to Below

c/o JPMorgan Chase Bank, N.A.
500 Stanton Christiana Road
Newark, Delaware 19713
USA

Dear Sirs:

I am counsel to [Name of Eligible Subsidiary], a [Jurisdiction of Incorporation] corporation (the “Borrower”) and give this opinion pursuant to Section 4.03 of the 364-Day Credit Agreement (the “Credit Agreement”) dated as of September 5, 2017 among Cummins Inc., the other Borrowers and the Lenders and Agents party thereto and JPMorgan Chase Bank, N.A., as Administrative Agent and as Swingline Lender. Terms defined in the Credit Agreement are used herein as therein defined. The opinions expressed herein are as of the date hereof and limited to the laws of [applicable jurisdiction].

I have examined originals or copies, certified or otherwise identified to my satisfaction, of such documents, corporate records, certificates of public officials and other instruments and have conducted such other investigations of fact and law as I have deemed necessary or advisable for purposes of this opinion and I have made inquiries to the extent I believe reasonable. I have relied upon representations made to me by one or more officers, employees or other representatives of [Eligible Subsidiary], and nothing has come to my attention leading me to question the accuracy of such information.

Upon the basis of the foregoing, I am of the opinion that:⁵

1. The [Eligible Subsidiary] (a) is a [form of entity] duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization and (b) is a Wholly-Owned Consolidated Subsidiary.

2. The Transactions and the execution and delivery by [Eligible Subsidiary] of its Election to Participate and the performance by [Eligible Subsidiary] of the Credit Agreement, (a) have been duly authorized by all requisite [corporate] (including any requisite [stockholder] action) and (b) will not (i) materially violate any provision of law, statute, rule or regulation, or of the certificate or articles of incorporation or other constitutive documents or bylaws of [Eligible Subsidiary], (ii) materially violate any order of any Governmental Authority or (iii) materially violate any provision of any material indenture, agreement or other instrument to which the [Eligible Subsidiary] is a party or by which it or any of its property is or may be bound, (iv) be in material conflict with, result in a material breach of or constitute (alone or with notice or lapse of time or both) a material default under any such indenture, agreement or other instrument or (v) result in the creation or imposition of any Lien upon any property or assets of [Eligible Subsidiary] (other than under any Loan Document).

⁵ Opinions subject to customary assumptions and qualifications.

3. No action, consent or approval of, registration or filing with or other action by any Governmental Authority, including, without limitation, the Securities and Exchange Commission (other than routine disclosure or informational filing), except such as will have been made or obtained on or before the date hereof and will be in full force and effect, is or will be required in connection with the execution, delivery and performance by [Eligible Subsidiary] of the Loan Documents to which it is a party or the contemplated borrowings thereunder.

4. [Eligible Subsidiary] is not (a) an “investment company” as defined in, or subject to regulation under, the Investment Company Act of 1940, as amended or (b) subject to any other applicable regulatory scheme which restricts its ability to incur the indebtedness to be incurred under the Loan Documents.

5. [Eligible Subsidiary’s] Election to Participate, and the Credit Agreement constitutes a legal, valid and binding obligation of such [Eligible Subsidiary] enforceable against such [Eligible Subsidiary] in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors’ rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

6. To the best of my knowledge after due inquiry, except as disclosed in such Election to Participate, no stamp duty, registration tax or similar documentary tax or charge is required to be paid in [applicable jurisdiction] in respect of the execution and delivery and/or enforcement by legal proceedings of [Eligible Subsidiary’s] Election to Participate and/or the performance by [Eligible Subsidiary] of its obligations under the Loan Documents.

Very truly yours,
