Item 3. Source and Amount of Funds or Other Consideration.

On June 28, 2019, Cummins and The Hydrogen Company (“H2C”) entered into a Funding and Investment Agreement, pursuant to which they agreed, among other things: (i) to cooperate with respect to an acquisition of the Issuer; (ii) to allow H2C to contribute its common shares of the Issuer, representing approximately 18.6%, in exchange for common shares of Purchaser, in lieu of receiving cash in connection with Purchaser’s acquisition of the Issuer; (iii) to allow H2C to increase its position in the capital of Purchaser up to 19.9%; and (iv) to certain governance arrangements upon completion of an Acquisition Transaction, as defined below.

In addition, on June 28, 2019, Cummins, Purchaser and H2C entered into a Voting and Support Agreement, pursuant to which H2C agreed to vote its common shares of the Issuer in favor of the Acquisition Transaction (as defined below).

On June 28, 2019, Cummins and Purchaser entered into an Arrangement Agreement with the Issuer pursuant to which Cummins (through the Purchaser) intends to acquire 100% of the Issuer’s outstanding common shares (“Shares”) through an arrangement under section 192 of the *Canada Business Corporations Act* (the “**Acquisition Transaction**”). Cummins (through the Purchaser) will acquire all the Shares of the Issuer that are not held by H2C in an all-cash transaction, paying US\$15.00 per Share. In addition, Cummins will lend the Issuer the aggregate amount payable for all of the issued and outstanding options, deferred share units, performance share units and restricted share units. The holders of those units will surrender them to the Issuer for cancellation and receive consideration for the units. The total enterprise value for the Acquisition Transaction is estimated to be US\$290 million.

Cummins has sufficient funds available to fund the entire purchase price for the Acquisition Transaction through its existing cash balances. As of Cummins’ Quarterly Report on Form 10-Q for the fiscal quarter ended March 31, 2019, as filed with the Securities and Exchange Commission on April 30, 2019, Cummins disclosed cash and cash equivalents of US \$1.3 billion.

As a result of the Acquisition Transaction and the agreements with H2C, Purchaser will become the sole shareholder of the Issuer. The Issuer and/or Cummins and Purchaser, as applicable, will file all necessary notices, and make all necessary regulatory filings, to cause the Shares to be delisted from the Toronto Stock Exchange and the Nasdaq Global Market, to terminate all open registration statements, and to cause the Shares to be deregistered with the Ontario Securities Commission and the U.S. Securities and Exchange Commission.

A copy of the Funding and Investment Agreement accompanies this Schedule 13D as Exhibit 99.1. A copy of the Voting and Support Agreement accompanies this Schedule 13D as Exhibit 99.2.

Item 4. Purpose of Transaction.

As described in Item 3, the purpose of transaction is for Purchaser directly (and Cummins and H2C indirectly) to acquire 100% of the outstanding Shares of the Issuer and to continue the business of the Issuer. The Issuer will become wholly owned by the Purchaser, and the Issuer’s securities will no longer be registered with any securities authorities in Canada or the United States or registered or reported on any stock exchanges or inter-dealer quotation systems.

Subject to certain conditions in the Arrangement Agreement, when the Acquisition Transaction is closed and becomes effective, the members of the boards of directors of the Issuer and

its subsidiaries will resign, to the extent that the Purchaser may request, in favor of persons nominated by the Purchaser.

The foregoing description of intentions and plans is subject to termination, evolution, modification, or change at any time, without notice, prior to closing the Acquisition Transaction, and there can be no assurance that the matters described above will ultimately be carried out in this manner.

2.2 Cummins shall contribute, or cause to be contributed, such cash amount set forth opposite Cummins' name in Schedule A hereto to Purchaser in exchange for a number of common shares of Purchaser representing an equity and voting interest in Purchaser as set forth opposite Cummins's name in Schedule A hereto.

3. Decisions relating to the Transaction

3.1 Until this Agreement is terminated in accordance with Section 8 (*Termination*) hereof, all decisions with respect to the Transaction and the Transaction Agreements shall be made jointly by Cummins and Hydrogen, including any decision (i) to modify the terms and conditions of the Transaction, (ii) to enter into any Transaction Agreements, (iii) to amend, modify or waive any term or condition of the Transaction Agreements (other than the Support Agreement with respect to which decisions shall be made by Purchaser or by Cummins exclusively), (iv) to terminate any Transaction Agreement in accordance with its terms (other than the Support Agreement with respect to which decisions shall be made by Purchaser or by Cummins exclusively), (v) as to whether the conditions in the Arrangement Agreement have been satisfied, and (vi) in connection with any governmental or regulatory approvals required in connection with the Transaction. Notwithstanding the foregoing, where Purchaser wishes to amend the terms of Arrangement Agreement or Plan of Arrangement and such amendment affects the per share consideration payable to shareholders of the Company and such amendment does not otherwise negatively impact Hydrogen from a financial perspective, then Purchaser may unilaterally amend such agreements.

4. Representations and Warranties of Cummins

4.1 Cummins hereby represents and warrants to and in favour of Hydrogen that:

- (a) it is a body corporate duly and validly constituted, organized and existing under the laws of its jurisdiction of constitution and has the corporate power and authority to enter into and perform its obligations under this Agreement;

- (b) the execution, delivery and performance by Cummins of this Agreement (i) have been duly authorized by all necessary corporate action on its part, and (ii) do not and will not (or would not with the giving of notice, the lapse of time, or both, or the happening of any other event or condition) result in a breach, default or violation of, or conflict with or allow any other person to exercise any rights under, any term, condition or provision of (A) its governing documents or any resolutions of its board of directors or shareholders or (B) any contracts to which Cummins is a party;
- (c) this Agreement has been duly executed and delivered by, and constitutes a legal, valid and binding obligation of, enforceable against, Cummins in accordance with its terms subject only to any limitation on enforcement under applicable laws relating to (i) bankruptcy, winding-up, insolvency, arrangement and other similar laws of general application affecting the enforcement of creditors' rights and (ii) the discretion that a court may exercise in the granting of extraordinary remedies such as specific performance and injunction;
- (d) Cummins has, or will have at Closing, all funds necessary to pay the aggregate consideration for all of the Common Shares (excluding the Rollover Shares) to be acquired and to lend to the Company the aggregate amount payable for all of the Company Options, DSUs, PSUs and RSUs to be cancelled, the whole pursuant to, and in accordance with, the Arrangement Agreement and Plan of Arrangement; and
- (e) no person has any written or oral agreement, option or warrant, or any right or privilege (whether by law or by contract) capable of becoming such, for the purchase, acquisition or transfer from Cummins of any of the common shares of Purchaser beneficially owned by Cummins or over which Cummins exercises control or direction.

4.2 Cummins acknowledges that Hydrogen is relying on the representations and warranties contained in Section 4.1 for the purpose of the Transaction and that it is an essential condition to Hydrogen entering into this Agreement.

5. Representations and Warranties of Hydrogen

5.1 Hydrogen hereby represents and warrants to and in favour of Cummins that:

- (a) it is a body corporate duly and validly constituted, organized and existing under the laws of its jurisdiction of constitution and has the corporate power and authority to enter into and perform its obligations under this Agreement;
- (b) the execution, delivery and performance by Hydrogen of this Agreement (i) have been duly authorized by all necessary corporate action on its part, and (ii) do not and will not (or would not with the giving of notice, the lapse of time, or both, or the happening of any other event or condition) result in a breach, default or violation of, or conflict with or allow any other person to exercise any rights under, any term, condition or provision of (A) its governing documents or any resolutions of its board of directors or shareholders or (B) any contracts to which Hydrogen is a party;
- (c) this Agreement has been duly executed and delivered by, and constitutes a legal, valid and binding obligation of, enforceable against, Hydrogen in accordance with its terms subject only to any limitation on enforcement under applicable laws relating to (i) bankruptcy, winding-up, insolvency, arrangement and other similar laws of general application affecting the enforcement of creditors' rights and (ii) the discretion that a court may exercise in the granting of extraordinary remedies such as specific performance and injunction;

- (d) Hydrogen is the sole and unconditional owner of 3,537,931 common shares of the Company, with good and valid title thereto, free and clear of all liens, and has the sole right to vote and sell all of such shares, and the only common shares of the Company beneficially owned, directly or indirectly, by Hydrogen on the date hereof are such Common Shares; and
 - (e) no person has any written or oral agreement, option or warrant, or any right or privilege (whether by law or by contract) capable of becoming such, for the purchase, acquisition or transfer from Hydrogen of any of the Common Shares of the Company beneficially owned by Hydrogen or over which Hydrogen exercises control or direction.
- 5.2 Hydrogen acknowledges that Cummins is relying on the representations and warranties contained in Section 5.1 for the purpose of the Transaction and that it is an essential condition to Cummins entering into this Agreement.
- 6. Regulatory Matters**
- 6.1 The Parties agree to cause the Purchaser to make all filings, notifications and submissions that are required or, in the opinion of both Parties (acting reasonably), that are advisable in connection with the Transaction under any applicable antitrust, competition, foreign investment, fair trade or similar laws or regulations (collectively, "**Antitrust Laws**"). The Parties will cause the Purchaser to use its commercially reasonable efforts to cause the expiry of any applicable waiting periods under, and to obtain any required approvals or clearances pursuant to any Antitrust Laws in connection with the Transaction. The Parties agree to collaborate and cooperate with each other in connection with any regulatory approvals required in connection with the Transaction, including exchanging information and providing such assistance as is reasonably required.
- 6.2 Each Party shall use commercially reasonable efforts to supply and provide, or cause to be supplied or provided, information that is accurate in all material respects to any governmental authority requesting such information in connection with filings or notifications under, or relating to, Antitrust Laws. If any governmental authority asserts any objections with respect to the Transaction under any Antitrust Law, and such objections relate to the activities or investments of a Party (or any person of which it is deemed to control the shares as set forth in Schedule A hereto), such Party shall attempt to resolve such objections; provided, however, that no Party (or any person of which it is deemed to control the shares as set forth in Schedule A hereto) shall be required to dispose of any assets, or enter into any agreements that restrict the activities, of such Party or its affiliates as a condition of resolving any such objections under Antitrust Laws.
- 6.3 Cummins agrees that it and the Purchaser are bound by their respective obligations under the Arrangement Agreement with respect to any regulatory approvals required on its behalf in connection with the Transaction and the Transaction Agreements.
- 7. Expenses**
- 7.1 Subject to Section 7.2 below, all expenses and professional fees incurred in connection with the negotiation of this Agreement and the Shareholders Agreement shall be paid by the Party incurring such expenses or fees, whether or not the Transaction is consummated.
- 7.2 All expenses and professional fees incurred in connection with the Formal Valuation shall be shared equally between the Parties, whether or not the Transaction is consummated.

8. Termination

8.1 This Agreement shall become effective on the date hereof and shall terminate upon the earliest of:

- (a) 11:59 p.m. (Toronto time) on December 20, 2019;
- (b) the Closing of the Transaction; and
- (c) mutual agreement of the Parties in writing;

provided that Section 7 (*Expenses*), Section 8.2 (*Termination*), and Sections 9 (*Confidentiality*), 11 (*Dispute Resolution*) and 12 through 23 shall survive any such termination.

8.2 Termination of this Agreement shall not relieve any Party of any liability for breach of this Agreement prior to such termination.

9. Confidentiality

9.1 Each Party agrees to, and shall cause its Representatives and any person of which it is deemed to control the shares as set forth in Schedule A hereto to, keep confidential any information supplied by or on behalf of any of the other Party (or any person of which it is deemed to control the shares as set forth in Schedule A hereto) in connection with the Transaction and the other transactions contemplated herein, including the terms of this Agreement (including, for greater certainty, all Schedules to this Agreement) and any other agreements or documents to be delivered as contemplated by this Agreement (all such information, "**Confidential Information**"), and shall not disclose to any person or make public or authorize the disclosure of any such Confidential Information and shall use, and cause its Representatives and any person of which it is deemed to control the shares as set forth in Schedule A hereto to use, the Confidential Information only in connection with the Transaction; provided that the term "Confidential Information" shall not include specific information that: (a) is already in such Party's possession, provided that such information is not subject to another confidentiality agreement with, or other obligation of secrecy to, any person; (b) is or becomes generally available to the public other than as a result of a disclosure, directly or indirectly, by such Party or such Party's Representatives or any person over which such Party is deemed to control the shares as set forth in Schedule A hereto, in breach of this Agreement; (c) is or becomes available to such Party on a non-confidential basis from a source other than either of the Parties hereto or any of their respective Representatives or any persons of which they are deemed to control the shares as set forth in Schedule A hereto, provided that such source is not known by such Party to be bound by a confidentiality agreement with, or other obligation of secrecy to, any person; or (d) is independently generated by or on behalf of the receiving Party without the use and not as a consequence of the disclosure by the other Party.

9.2 Nothing contained in this Section 9 shall prevent any Party from disclosing Confidential Information (a) upon the order of any court or administrative agency, (b) upon the request or demand of any stock exchange or regulatory agency or authority having jurisdiction over such Party, (c) to the extent required by law or regulation, (d) to the extent necessary in connection with the exercise of any remedy, hereunder, and (e) to such Party's Representatives or any person of which such Party is deemed to control the shares as set forth in Schedule A hereto, that need to know such information (it being understood and agreed that, in the case of clauses (a), (b) or (c) above, such Party shall notify the other Party of the proposed disclosure as far in advance of such disclosure as practicable and use commercially reasonable efforts to ensure that any information so disclosed is accorded confidential treatment, when and if available).

10. Public Announcements

No Party shall, without the consent of the other Party, issue, file or make any press release or other public announcement or filing with respect to this Agreement, the Transaction, the Transaction Agreements and the transactions contemplated hereby and thereby. This provision shall not apply, however, to any public announcement or written statement required to be made by law or the regulations of any governmental authority or any stock exchange, including any early warning report or schedule 13D (beneficial ownership report), except that the Party required to make such announcement shall coordinate with the other Party in good faith regarding the content and timing of such announcement before such announcement is made.

11. Dispute Resolution

11.1 If any dispute, controversy or claim arises out of or in connection with this Agreement (a “**Dispute**”), each Party shall use commercially reasonable efforts to resolve the matter amicably. If the Dispute has not been resolved, for any reason, within 30 days following delivery of a notice of Dispute, the Dispute will be resolved by arbitration as follows:

- (a) either Party may commence arbitration in respect of a Dispute by delivering to the other Party a written notice of arbitration. The Dispute will be arbitrated and resolved by ICDR Canada in accordance with its Canadian Arbitration Rules;
- (b) the place of arbitration will be Toronto, Ontario, the arbitration tribunal shall consist of three (3) arbitrators and the language of arbitration will be English;
- (c) the arbitration will be kept confidential and the existence of the proceeding and any element of it (including any pleadings, briefs or other documents submitted or exchanged, any testimony or other oral submissions and any awards) will not be disclosed beyond the arbitrator, the Parties, their counsel and any person necessary to the conduct of the proceeding, except as may lawfully be required in judicial proceedings relating to the arbitration or otherwise as may be required by law; and
- (d) this arbitration provision will be governed by and interpreted and enforced in accordance with the laws of the Province of Ontario, Canada.

11.2 A Party that is a party to a Dispute may, at any time, make an offer to the other Party to settle all or any part of the Dispute. Any offer to settle will be deemed to be an offer of compromise made in confidence and without prejudice. The fact that an offer to settle has been made will not be communicated to the arbitrator until the arbitrator has made a final determination of all aspects of the Dispute other than costs. If an offer to settle is not accepted and the arbitration award is no more favourable to the Party to which the offer was made, the Party making the offer will be entitled to all of its costs in connection with the arbitration in respect of the period from the date the offer to settle was made to the making of the arbitration award.

13. Entire Agreement

This Agreement, including all schedules and annexes hereto, and the Transaction Agreements constitute the entire agreement, and supersede all prior agreements, understandings, negotiations, statements, correspondence and discussions, whether oral or written, among the Parties (and any person

of which they are deemed to control the shares as set forth in Schedule A hereto) with respect to the subject matter contained herein. If any conflict arises in the interpretation between the terms of this Agreement and the terms of any other Transaction Agreement, the terms of this Agreement will prevail.

14. Third Party Beneficiaries

The Parties intend that this Agreement will not benefit or create any right, stipulation for the benefit of, or cause of action in favour of, any person, other than the Parties and their respective successors and permitted assigns. No person, other than the Parties, is entitled to rely on the provisions of this Agreement in any action, suit, proceeding, hearing or other forum.

15. Exercise of Rights

No delay of or omission in the exercise of any right, power or remedy accruing to any Party as a result of any breach or default by any other Party under this Agreement shall impair any such right, power or remedy, nor shall it be construed as a waiver of or acquiescence in any such breach or default, or of any similar breach or default occurring later; nor shall any such delay, omission or waiver of any single breach or default be deemed a waiver of any other breach or default occurring before or after that waiver.

16. Remedies

Without prejudice to any other rights or remedies the Parties may have, the Parties acknowledge and agree that (a) money damages would not be an adequate remedy for any breach of this Agreement and that the non-breaching Party shall be entitled to the remedies of injunction, specific performance and other equitable relief for any threatened or actual breach of this Agreement, and (b) in the event of an actual breach of this Agreement by a Party, the other Party shall be entitled, in addition to any other rights or remedies such Party may have, to reimbursement from the breaching Party for all of reasonable expenses incurred by such Party in connection with any associated Dispute.

17. Governing Law

This Agreement shall be governed and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein. The Parties irrevocably attorn and submit to the exclusive jurisdiction of the Ontario courts, and waive objection to the venue of any proceeding in such court or that such court provides an inconvenient forum.

18. No Assignment

This Agreement shall be binding upon, and shall enure to the benefit of the Parties and their respective successors and permitted assigns. Except as otherwise expressly provided herein, this Agreement may not be assigned by any Party, nor shall any Party syndicate its contribution obligation, without the consent of the other Party, other than to a wholly-owned affiliate of Cummins or Hydrogen, as applicable, it being agreed that any such assignment shall not relieve the assigning Party from its obligations hereunder.

19. Severability

If, in any jurisdiction, any provision of this Agreement or its application to any party or circumstance is restricted, prohibited or unenforceable, such provision shall, as to such jurisdiction, be ineffective only to the extent of such restriction, prohibition or unenforceability without invalidating the remaining provisions of this Agreement and without affecting the validity or enforceability of such provision in any other jurisdiction or without affecting its application to other parties or circumstances. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent

of the parties as closely as possible in a mutually acceptable manner in order that the terms of this Agreement remain as originally contemplated to the fullest extent possible

20. Amendments

This Agreement may only be amended, supplemented or otherwise modified by written agreement signed by each Party.

21. Currency

Unless otherwise stated, all references in this Agreement to sums of money are expressed in, and all payments provided for herein shall be made in United States dollars.

22. No Representations or Duty

Each Party specifically understands and agrees that the other Party has made and will not make any representation or warranty with respect to the terms, value or any other aspect of the Transaction and each Party explicitly disclaims any warranty, express or implied, with respect to such matters. In addition, each Party specifically acknowledges, represents and warrants that it is not relying on the other Party (a) for its due diligence concerning, or evaluation of, the Company or its assets or businesses, (b) for its decision with respect to making any investment contemplated hereby or (c) with respect to tax and other economic considerations involved in such investment. In making any determination contemplated by this Agreement, each Party may make such determination in its sole and absolute discretion, taking into account only such Party's own views, self-interest, objectives and concerns. No Party shall have any fiduciary or other duty to the other Party except as expressly set forth in this Agreement or in the Shareholders Agreement.

- (ii) this Agreement being made publicly available, including by filing on SEDAR and EDGAR, without redaction other than certain contact information set out in Section 4.7 herein;

in each case, if and to the extent required under applicable Securities Laws.

3.2 Covenants of Parent and Purchaser

- (a) Each of Parent and Purchaser hereby covenant to consummate the transactions contemplated by the Arrangement Agreement, in accordance with the terms thereof and subject to the termination rights therein.
- (b) Each of Parent and Purchaser hereby covenant to use its reasonable commercial efforts to assist the Company in effecting the Arrangement and to successfully complete the Arrangement in the manner contemplated by this Agreement and the Arrangement Agreement.

ARTICLE 4 GENERAL

4.1 Termination

This Agreement shall terminate and be of no further force or effect upon the earliest to occur of:

- (a) the agreement in writing of Parent, Purchaser and the Shareholder;
- (b) the termination of the Arrangement Agreement in accordance with its terms; and
- (c) the termination of the Investment Agreement in accordance with its terms.

4.2 Effect of Termination

If this Agreement is terminated in accordance with the provisions of Section 4.1, the provisions of this Agreement will become void and no party shall have liability to any other party, except in respect of a breach of this Agreement which occurred prior to such termination, in which case the non-breaching party to this Agreement shall be entitled to pursue any and all remedies at Law or equity which may be available to it.

4.3 Time of the Essence

Time shall be of the essence in this Agreement.

4.4 Equitable Relief; Specific Performance

The parties agree that irreparable harm will occur for which money damages will not be an adequate remedy at Law in the event that any of the provisions of this Agreement are not performed by any of the parties in accordance with their terms or are otherwise breached. It is accordingly agreed that in the event of a breach or threatened breach of the provisions of this Agreement by a party hereto, the other party hereto shall be entitled to seek an injunction or injunctions and other equitable relief and shall be entitled to apply for an order or orders for specific performance as may be necessary to ensure that the other party complies with and performs its obligations under this Agreement. Each party hereto hereby agrees not to seek the posting of any security bond or other assurance in respect of such injunctive or other equitable relief. Such remedies will not be deemed to be exclusive remedies for any breach of this Agreement and will be in addition to all other remedies available at Law or equity.

4.5 Waiver; Amendment

Each party hereto agrees and confirms that any provision of this Agreement may be amended or waived if, and only if, such amendment or waiver is in writing and signed, in the case of an amendment, by the Shareholder and Purchaser or in the case of a waiver, by the party against whom the waiver is to be effective and no failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise.

4.6 Entire Agreement

This Agreement (including the schedules attached to this Agreement), together with the Investment Agreement, and any other agreements or documents to be delivered as contemplated by this Agreement or the Investment Agreement, constitute the entire agreement and supersede all other prior agreements and understandings, both written and oral, between the parties, or any of them, with respect to the subject matter hereof and thereof.

Upon such determination that any term
